I realize you are finding it difficult to make time for developing skills that you will need in the future,. I would suggest doing even a little.. I DO NOT want you to end up like the other girls. I am not sure how tough to be on you... and at the risk of you being upset with me , i must tell you that it is your life.. taking the easy way now will force you to pay a very high price later on in life. you are too smart, to let this happen I hope..
