Hi

Happy new year to you all !
Tried to reach you during Christmas without success.

Vibeke and I would like to discuss the following matter with you :
We have now all in all collected 4 neighbouring properties in St Tropez .
Restructured this has become two large properties - whereof you stayed in one of them
with us.
The other one is situated just next to this one and is a pittoresque wineryard with a
breathtaking view.
We were just granted permission to build 4700 sqf here.

We are going to sell one of the two now and would very much like to get some nice
neighbours we know well next to us -
are you still interested in a place in St Tropez ?

Hugs Vibeke & Ola
