Dear David,

Many thanks for coming back to me. It was brought to my attention that you have already met with Gaby in HK so no need for the meeting I have requested below. This was to be an introductory meeting - my apologies for any inconvenience caused.

Kind regards,

Dear Mr. Stern,

As you are aware, Gaby Abdelnour would like to meet with you when you are available in Hong Kong. If you are comfortable with me doing so, may I ask you for a few initial dates and times of when you will be available to work from and then put you in touch directly with Gaby's office so that they can confirm with you directly?

Given the time difference between HK and London this may be the

easiest option. I will of course be involved all the way through so do feel free to contact me should you need any further information.
Many thanks .

Kind regards,

Angela Cram
