Subject: David Gelbaum?

Do you know him??

His name is David Gelbaum, he is a billionaire who has given away a large portion of his money and invested another large portion into cleantech companies (look at the following link). Heard that David is a math whiz who amassed his fortune building analytical hedge fund systems.

Energy is a particular interest of his and has a several portfolio companies in the energy space that he would be interested in speaking with you and comparing notes on.

He was to meet
