BA is quite a bit more expensive so as I am now going to go direct I would rather fly Delta. (I still think I could have gone via Paris to save us a ticket but I will be a good girl and listen to you) I am soooo happy I only will leave late at night and I will get to see my baby after his long day :-))))))

The best fare I am finding to London is \$ 989 with Delta. Leaves tomorrow eve at 11pm. My other flight departs at 10.40 so pretty similar in time. I like having a late departure so I will get to see you when you get home.
Should I go via Paris or direct on Delta?
