Title: Panama Birthday Celebration Jan. 2-5, 2012

Johnny:

If you have any cancellations and have a cot...or a bunk bed anyplace, I would love to come help you celebrate your birthday.

Tamara Mellon was going to ask you for me. She will fly me in...if I meet her in St. Barths....or I will fly to Panama City from Palm Beach/Miami and get to a charter to the island.
Tamara will take me home.

Would love to help you celebrate....if you are overbooked...totally understand.
xoxo Peggy
