Subject: South Hampton Trip

What time would you like the girls to be ready at the house for our 9.30am heli departure at W 30th street heliport?

[REDACTED] told me yesterday that she does not know if she will be able to join us. I have sent her messages in every form today to ask her to confirm so that we can let you know asap.

Would you like me to organize someone to collect us in South Hampton? Should Jojo drive directly there after dropping us?

Do you have any scheduled plans for while we are there that you would like me to print directions for. I will take my iPad for navigation and there is the GPS in the suburban.

Would you like me to pack anything in particular in terms of food. I will take yoghurt and granola, muffin and butter spray, and jerky

I will pack you a bag with your usual change of clothes and toiletries.

I will put pillows in the car for the drive back.
