Thank you for your kindness and concern. Nervous about appointment but closure will be good.

Im carrying around all the slides from my surgeries. It is very spooky for me to be carrying around tumor slices from my own body. Not a pleasant reminder.

Will be on the lookout for you. Where would you like this person to be based out of (city) and any particular skills other than language?

Will try to get more pictures of superboris...

Hope you are ok!
