**Subject:** Introducing Cloudee - Unlimited video storage in the cloud

Title: Your Message Subject or Title

Email not displaying correctly? [View it](#) in your browser

**Share videos privately with family and close friends.**

**Try Cloudee now for free on iPhone, Mac or PC!**

- 
- Unlimited storage for all your iPhone videos
  - Easy private video sharing with family and close friends
  - Upload and manage from your phone or your computer
  - Watch videos on any device or web browser in stunning quality including your TV!

---

Cloudee is still in BETA, which means that as a thank you for being an early adopter, you'll get free unlimited storage for everything you upload during the BETA period. Once we release the full version of Cloudee, you'll have free storage for life for all those videos, but may need to upgrade to a premium account to continue to upload additional videos.

There's still lots more for me and the team to learn about you and how you want to use the service... so please let me know! Drop me a line at [REDACTED]

If have any questions, send us an email at [REDACTED]
