Dear Ms. Shuliak,

I am happy to set up an appointment to see you.

Shall we meet on Wednesday March 28th, at 10 AM? If this is a convenient time for you, I will double-check with Dr. Lichtenthal about his availability so that we can combine two meetings on one day.

I look forward to your reply.

Letty Moss-Salentijn, DDS, PhD

Robinson Professor of Dental Medicine

(in Anatomy and Cell Biology)

Vice Dean for Academic Affairs

Dear Dr. Salentijn,

At the request of Dr. Lichtenthal, who I am copying on this email, I am writing to you to set an appointment to meet with you at your convenience. Dr. Magnani and Dr. Fine suggested the week of April 2nd or April 16th, but of course I will make myself available if any other time is preferable for you.

With both warm and kind regards I remain, hopefully, your future honor student.
