The costs are as follows:

- a) Nurses 3,815 - i questioned this as nurses are billing \$70 per hours
- b) Doctor David Price - photography - 412
- c) Doctor Imber - 23,500

Total Cost 27,727

i asked if her insurance would reimburse and allison (peggy assistant) said it was a cosmetic procedure so she said no
if you agree i will pay all medical providers directly from your personal account therefore there will be no gift tax
please advise

Hello Richard,

I spoke to Michele and she said that is the going rate for nurses. She said that you can call her and she can discuss it with you. Her number is [REDACTED]

The cost to be paid to Dr. Imber's office is \$23,500 (Dr. Imber's fee, the OR fee, and the anesthesiologist fee).

\$412 must also be paid to Dr. David Price for photography. His number is [REDACTED]

Many Thanks,
Allison

thanks for your response

i am unclear on the following:

- a) alliance nursing and [REDACTED] both charge \$70 per hour for nursing services - that amount seems crazy..
- b) surgery you say 20,000 or 1500 or 2000 - this is unclear

does peggy have insurance - if so wouldn't her insurance company be reimbursing her for all or a portion of these procedures
will these amounts then be sent back to jeffrey?

please advise
thank you
