Subject: RE: Kevin Law / Uncommon Content Partners

Within the presentation that was attached, there are the following numerical overviews:

Page 12: Production metrics and production financing assumptions

Page 13 and 14: Breakdown of production budgets

Page 23: Summary 3 Year P&L

Page 24: Revenue \$ Assumptions

Page 25: Revenue Model Volume Drivers

Page 28: Fundraising/Use of Proceeds breakdown

Page 34-37: Graphical representations of revenue volume metrics

I can provide a detailed Excel financial model supporting the P&L if you would like.

Just let us know if there is anything additional you are looking for at this time.

Thanks

-Ken
