Jeffrey,

Here is an update on Bart and the flagpole pool.

He wants to get it resolved so he is proposing the following schedule. If we get the pool drained and all material is on island he says he can be in and out in 5 days.

We would have to schedule it with your schedule and the event on the 11th of December.

Please let us know what you want to do here

Thank you.

Gary/Brice,

Based on your history with this guy can this be done in 5 days? Was he on schedule for the work that was done?

Thanks

Marc

Bryce,
Could you please give me a schedule when we can come in and do the cosmetic repair to the flag pool,(replaster). If you have it drained I could be in and out in five days (once material is on island) Again I am trying to get this resolved and get paid.

Thanks
