Dear Mr. Jeffrey Epstein,

Please come at 9:15pm on November 5th to the Paris Theater.

Susan Lacy's documentary on David Geffen is a classic. It's a rags to riches showbiz saga that shows us the American Dream is very much alive. Recently the film has been shown at the Toronto and Hamptons Film Festivals to great acclaim.

As a writer and/or director and/or producer of American Masters, as well as the Series Creator, Susan Lacy is a television treasure. She has been an award-winning originator of primetime public television programs for 30 years. SusanB has been responsible for the production of more than 180 documentary films on cultural giants such as Johnny Carson, Woody Allen and John Lennon.

Come see what Geffen's friends have to say. Interviews include this evening's hosts, along with Steven Spielberg, Jeffrey Katzenberg, Tom Hanks, Cher, Elton John, Joni Mitchell, Neil Young, Don Henley, Jackson Browne, Tim Burton and Yoko Ono.

The David Geffen documentary is two hours long and will air nationally on PBS

on Tuesday, November 20th, 2012.

If you know your plans now please let us know ASAP.

xoxo
