great! I am in L.A. dec 6th, and I think I may simply take a midnight flight from there that day, getting in the afternoon of the 7th.. that would give eve of the 7th and all day 8th to do things..

thanks... Should I tell the reservations person to have me stay at that westin place early or would I stay with you for 7th and 8th?

thanks.. got this.. unfortunately Nancy is busy then so I cannot take advantage of the kind offer re spouses/significant others.. but anyway, some time we will visit together I hope.. Anyway, my question for you is whether I might come down a day or two early, and basically hang out with you and take you scuba diving.
