give me as much notice as you can On Fri, Apr 16, 2010 at 5:45 PM, Al seckel <aseckel@yahoo.com> wrote:

I will get back to you on my times, and see if you will be available. I can show you some new material I have been working on, which has some rather transformative ideas. I just gave a new talk in the distinguished Marschack series at UCLA last week, at the Gardner gathering, as a keynote at Milken's conference on education, and again at TED a couple of days ago, and it went over very well at all four venues.
