Ok

K&S are building doors, but they need to manufacture the frame to hang the doors

The frame will so allow us to remove the doors in the event of a hurricane

Install cost includes

Frame design

Manufacturing of frame

Setting of frame

Hardware install

Please note there are no shop drawing to go by

Hope this helps

We still do not have Internet on LSJ

Working with iPhones only service still bad

when k&s bid the wind doors the bid was worded as two pair= of doors.

Shelia the business partner wrote the bid up but using \$7,200 the= price of one opening.I found this out after I left and suggested that Tom g= o back to them and tell them that they should give us the second opening for= \$3,800 because they made the error on the bid.

The good thing is Kent does very good work, the bad is they run a poor business. The other bid we got was \$18,000+<= /o:p>
