That is the system we have worked out and it has never been a problem. I spoke to [REDACTED] yesterday about your diet. Muffins in the morning, ginger drink and jerky throughout the day. We spoke about possible steak and egg lunch which didn't seem to be a problem. You haven't requested tuna from me since the ranch. And I'd hate to leave you a piece of steak that was cooked 24 hours ago to eat today. I was under the belief that Lynn would take care of your needs today.

I would have and would be more than happy to come prepare lunch for you. I saw you were going out for dinner tonight and I thought that's why I wasn't needed today. Sent from my Verizon Wireless BlackBerry
