Hi Cecile,

Bella gave me the last four digits of a visa card but Host Gator does not recognize them.
Host gator is the company that hosts Jeffreyepstein.org.

The company gave me a tel number that was used at the time. It was [REDACTED]. I called it but no one answered. Do you recognize it? If it is one of jeffrey's and we can verify that, then we can access the .org site.

Thanks for letting me know.
All my best,

[REDACTED]
