Jeffrey,

This video link shows what the engineer came up for design of arm rest mechanism, it looks like exactly what you described to me on the plane yesterday, and should work great.
Do you like this concept?

Thx,

Larry

The video was too big to email. You can download it here...
<https://www.dropbox.com/s/4aum81q49h1xeiq/2012-07-08%2019.50.56.mp4>

Please let me know if it looks OK. If so then I will have some parts made up.

Steve
