Sorry for delay.

Doing this show has eaten up all my time.

I'm off for the next 2 days.

They did my depo on a Sunday two weeks ago, what a waste of time, and a pain in the butt.

I'm coming to Ft. L the 20th, meeting with mediator 21, then another depo on 22.

Total waste of time and money.

Berger Singeman firm is such a sad situation.. They are wasting all the money of the creditors and victims. And the system us allowed to operate this way.
