Greetings Mr. Epstein,

Carlos contacted Melvin. He and Irving are presently on Puerto Rico. He told Carlos that they are now on Puerto Rico and have no intentions of returning to St. Thomas.

Melvin says he is angry, he did not do anything wrong and he does not want to talk to anyone. Irvin says he is done with the matter.

The cell number Carlos has, and that is in Manuel's employee file, is disconnected. Carlos spoke to his father, who does not know what happened. Manuel has not told him any details, but he did ask his father not to release his new phone number to anyone. His father said he would tell Manuel that Carlos wants to speak to him.

Respectfully,

Daphne
