I agree. Protections against bankruptcy or similar steps must be structured in. Title is currently in a single asset LLC. It used to be single member (Dan) but I will have to confirm that.
The property could be transferred to a trustee, a new LLC, or the existing LLC operating agreement could be amended (with your entity having units in it too) requiring unanimous consent for certain actions including bankruptcy.
What about the economic terms to Dan?

I would want title transferred sp that I would not have to foreclose and fight

bankruptcy by him
