Mary...does Jeffrey need to be prepared to pay for anything the day of the procedure? or should I call the place and ask them?

Hi [REDACTED]

I called yesterday Mr. Epstein insurance and it doesn't require authorization for the test. However, it's subject for review and he may receive a bill after services.

Thank you,

Mary

Hi Kristine. Will you be calling Jeffrey's United Health Care insurance to see if this CTA exam is covered? He is currently scheduled for 10:45am on Sept 6th. Please let me know or if we will need to pay the day of or how this works....thanks so much,
