16 HR: Bye.
17 [REDACTED] Bye.
18 [REDACTED] She said (inaudible)
19 MP: End of the call now by my time is 4.... same time, approximately 4:26. That was
20 an error on my behalf of the approximate time of starting.

1 MP: Detective Michele Pagan
2 [REDACTED]
3 KB: Kathy Back

16 MP: And you are?
17 CB: Cathy Back, Family Therapist.

19 KB: K-A-T-H-Y B-A-C-K.
20 MP: And you're her family therapist? Am I correct?
21 KB: Yes.
22 MP: Okay. I'm here today, [REDACTED] and I have stated briefly why I'm here is in
23 reference to an incident that happened to a friend of yours, or a girl you know.

1 I'm not sure if she's friend of yours or not, by the name of Haley. Do you know
2 what I'm talking about?

3 [REDACTED] Yes.

4 MP: Okay. I hear your voice got very low all of a sudden so if you don't mind..
5 [REDACTED] [REDACTED], okay.

6 MP: I'll even hold it. Okay. Can you tell me how you know Haley?
7 [REDACTED] She's my ex-boyfriend's cousin.

8 MP: And what's your ex-boyfriend's name?
9 [REDACTED] Zack Brian.

10 MP: Is that his last name? Brian?
11 [REDACTED] Yes.

12 MP: What school does he go to?
13 [REDACTED] (inaudible) Summit Christian School.

14 MP: And you said he's your ex-boyfriend. How long ago was that?
15 [REDACTED] I don't know. Like two months, two months and a half ago.

16 MP: How long did you go out with him?
17 [REDACTED] Three weeks...?

18 MP: Not long? And Haley? You met her through Zack?
19 [REDACTED] Yeah, I met her when I went to dinner at his grandmother's house.

20 MP: Okay. And do you know Haley's last name?
21 [REDACTED] No. I don't.

22 MP: Do you know where she lives?
23 [REDACTED] Yes. She lives on 72nd, 4 streets away from me.

1 MP: Okay.

2 [REDACTED] (inaudible)

3 MP: Okay. And tell me now what happened with Haley.

4 [REDACTED] Okay, well, the third time of hanging out with Haley, cause I was a cousin, well,

5 Zack. And we were over there watching a movie and this guy called or actually it

6 was a woman but it was for a guy. And she's talking to Haley and then she said

7 that, well I don't know exactly what the woman said but she said do you have

8 anybody left with you and Haley said yes and then she said are you bringing

9 them to the guy's house? In Gardens or wherever he lives. And she said I don't

10 know. I'll call you back. And then she told Zack that I was gonna come with her

11 to this guy's house so that, so that, she was gonna get paid, like I don't know

12 how much money but this man's been paying money. And that she was gonna

13 bring me along and then Zack was like no, you're not taking her and then she's

14 like well, I'll ask her and then she just told me, she didn't tell me what's she's

15 gonna do, she told me she's going to some old guy's house and (inaudible) get

16 my shoes and go shopping. So I was like, okay. And then we went, I don't know

17 what day it was cause she picked me up. I'm pretty sure it was a Saturday or a

18 Sunday. So she picked me up and we get in the car and she (inaudible) and

19 then we left and we were still driving and then we went to his house and we were

20 waiting in the kitchen and the old man came and he's like, hello, I'm...I don't

21 even know, I think it's Jeff. I'm Jeff and then we, I'm like I'm [REDACTED] And then

22 she um went upstairs and I guess gave him money and we went back downstairs

23 we weren't there, we were only there for like 30 minutes and then we left and

1 then she went to go to Marshall's to go get some, a skirt and a purse but she
2 didn't get the skirt. She only ended up getting the purse and that was like a
3 black purse.

4 MP: That's all that happened?

5 [REDACTED] Um hm.

6 MP: Well, I'm hearing a lot more happened.

7 [REDACTED] Like what, I know, like what went around the school?

8 MP: Like what went around the school. Tell me what happened at school.

9 [REDACTED] In school, everybody was saying that I got paid \$300 with the, for the old man.
10 That old guy. Cause he's.... [REDACTED], first of all, is that I got fingered by the old man,
11 then it was I had sex with the old man and then it was I'm just a prostitute and I
12 got paid \$300.

13 MP: Who was spreading these rumors around?

14 [REDACTED] Um, my, this girl, she used to be my friend [REDACTED] but I guess....

15 MP: Where would she get

16 [REDACTED] From Zack because I broke up with him. Well, that's what I think. I think when I
17 broke up with him, he got very mad and told the girl cause this girl, she hated me
18 because I went out him and she likes him.

19 MP: Which girl was this?

20 [REDACTED] [REDACTED]

[REDACTED] [REDACTED]? Liked Zack?

22 [REDACTED] Yeah.

23 MP: ...went out with him so she started spreading these rumors?

1 [REDACTED] Cause I went out to the fair and she was supposed to go with him but, I guess,
2 he didn't like her and then we started talking and she got mad because I was
3 talking to him.

4 MP: What does...can you tell me more about Haley?

5 [REDACTED] I don't really know that much. All I know is that she, the only thing I know about
6 her is that her boyfriend, but then they broke up, like, she met him at a party.
7 That's the only thing I know and that she has [REDACTED] hair and like, I don't really
8 know about her. I went to her house (inaudible)

9 MP: Are you telling me?...and I want you to know something, okay?

10 [REDACTED] Um hm.

11 MP: Regardless of what has happened, okay? I'm being very honest. You're not in
12 trouble for anything.

13 [REDACTED] I know.

14 MP: Whether you did something with this man or not.

15 [REDACTED] Hmm....

16 MP: Whether you did something with this man. What I'm trying to do is find out if this
17 type of thing is going on and you're not the only one and I don't think you are the
18 only one.

19 [REDACTED] I don't think so either cause the other kid Anthony (inaudible) he knows Haley too
20 and I, cause he's telling me, he's like where do you know Haley and then I was
21 like she's my boyfriend's cousin. [REDACTED] that girl's bad and I'm like okay, too bad.

22 MP: Did you do anything with this man?

23 [REDACTED] No, we went upstairs and just got money and I don't know...

1 MP: What did you do when you went upstairs?

2 [REDACTED] I don't, it was me in the kitchen, she went upstairs with the, for like five minutes.

3 MP: Who went upstairs?

4 [REDACTED] The old guy, I think his name's, I'm pretty sure his name's Jeff and Haley and the
5 woman. I don't know, I think it's his assistant. (Inaudible)

6 MP: Okay, do you remember what her name was?

7 [REDACTED] I have no idea what her name was.

8 MP: Can you describe her to me?

9 [REDACTED] Blonde, tall, taller than me.

10 MP: How tall are you?

11 [REDACTED] I have no idea. 5 something.

12 MP: Okay. And they didn't talk about anything in front of you?

13 [REDACTED] No. They just, I introduced myself and I was like...he goes hi, I'm Jeff. And I
14 was like hi, I'm [REDACTED] and then they just were like okay, you can come with us
15 and then they walked upstairs through like a kitchen and then like a little doorway
16 and the stairs going up and all I could see was like a picture on the wall as you
17 go up.

18 MP: Okay, so you're describing it with your hands. So in front of you is a kitchen....

19 [REDACTED] Like, the door is here...

20 MP: ...to the right is a door.

21 [REDACTED] Um hm. And then you walk in, there's like a table, like with a sink right there, like
22 with a big island table.

23 MP: Um hm.

1 [REDACTED] And there's like little circle chairs, that you can sit on.

2 MP: Stools.

3 [REDACTED] Stools. And we were just sitting there waiting cause he wasn't there yet. Then

4 he came inside after we were standing there about 5 minutes. Cause like, there

5 was a gate and a bodyguard guy. When we opened the gate and knocked on

6 the door, security, some guy, like a bodyguard kind of, type of guy. Same guy

7 walked up and he's like, excuse me, what are you here for and we're here to see

8 Jeff. And then he was okay, well come inside, Jeff'll be here in like 5 minutes.

9 And then we waited and he was like you can help yourself to a drink. And then

10 he left and then like 2 minutes after the guy left, Jeff and a lady walked in and

11 they introduced themselves and we're like, hi, my name is [REDACTED] and then she's

12 like Haley, (inaudible) and then there's like a walk in door thing, that you walk in

13 like a cabinet thing, not a cabinet but the island thing (inaudible) and then the

14 door would be right there.

15 MP: Okay.

16 [REDACTED] Yeah, (inaudible)

17 MP: So they walked away out of your sight?

18 [REDACTED] Um hm. Well there was another girl there. I was never by myself. I don't

19 remember the girl's name but she's Haley's friend.

20 MP: Okay.

21 [REDACTED] She was Haley's....

22 MP: What does Haley, do you have an idea of what, why this woman, this assistant,

23 would ask if Haley had anybody with her?

1 [REDACTED] I don't know but what you call, the lady, she really like (inaudible) I don't know
2 what's wrong. I mean when she walked in, she was like kind of like, I don't know,
3 but she was just like, um, she couldn't say anything about her, she was just first
4 name and that's it and then she was just like right to the point. She didn't try to
5 be friendly, you know.

6 MP: What do you mean she didn't try to be friendly?

7 [REDACTED] She wasn't like hi, I'm like, you know (inaudible) she was just like hi, I'm and I
8 don't remember her name but she said she was from Ohio. I remember that.

9 MP: And your friend, or Haley's friend stayed in the car?

10 [REDACTED] No, she was with us. When we walked in, and she sat, she was just there, she
11 didn't do anything, she was with me. We were just right at the table, like we
12 were sitting having a conversation for like two seconds. Then Haley came back
13 downstairs and then she's like thanks Jeff and then I'm like bye Jeff and then the
14 other girl was like bye and then we left.

15 MP: Okay, did Haley tell you what was going on upstairs?

16 [REDACTED] No. She just, I didn't ask because like Haley, the only reason I know the money
17 was to go shopping. That's what (inaudible).

18 MP: Did she give you any money?

19 [REDACTED] Um hm.

20 MP: How much money?

21 [REDACTED] \$300.

22 MP: What did you do with the \$300?

23 [REDACTED] I didn't spend it. And then I went to school and then my principal, cause I got

1 into a fight with a girl, Sheena, for saying that. Because she said that I was, had
2 done all that with the old man to get that money and that's not true. That's why I
3 got really angry and then we (inaudible) before that and then when I went to the
4 office to (inaudible) the principal but actually she didn't say anything at first and
5 then she was like, Sheena told her side of the story, can I see your purse and I
6 was like go ahead and (inaudible) and I'm like yes and then my dad, my dad and
7 the principal and my step-mom, they were all like um, why did you do that with an
8 old man and who is the old man. I'll kill him, blah, blah, blah. And then I was
9 like I didn't do anything! I didn't do anything! And they didn't believe me. And I
10 kind of got mad at and then the whole thing, that's when I moved back to my
11 mom's house because my dad thought I was a prostitute. And it was really....

12 MP: You know that just because something may have happened, that doesn't make
13 you a prostitute.

14 [REDACTED] I know.

15 MP: Do you?

16 [REDACTED] Yes.

17 MP: Okay. Do you want something to drink?

18 [REDACTED] No.

19 MP: Are you sure?

20 [REDACTED] Yeah.

21 MP: You know, I've been doing this for a long time and I'm not saying you're not
22 telling me the truth, I think you're not telling me the whole truth about what
23 happened. Okay? Matter of fact, I know you're not. And I know you might be a

1 little afraid looking on it....

2 [REDACTED] Okay, I... (inaudible) because they already came to my dad's house and they did
3 something to my dad's tires and my dad almost died.

4 MP: Okay. Give me your hand. I'm here to help you. Look at me.

5 [REDACTED] I don't want him to get hurt because he already almost killed him.

6 MP: I'm here to help you.

7 KB: Honey, I'm gonna get you some water. Okay?

8 [REDACTED] Okay.

9 MP: I'm here to help you, okay? I'm being honest, okay? I'm going to be very up
10 front but I need you to be up front with me, okay?

11 [REDACTED] Okay.

12 MP: The only way I can help you is if you're honest with me, a hundred percent
13 honest with me.

14 [REDACTED] Okay.

15 MP: Your counselor's not here. Tell me what happened. Now be honest about it.

16 [REDACTED] Okay. When I got there, that Jeff guy and the lady were there and then the lady
17 wanted me to come upstairs and she's like, she's talking to me and then she was
18 putting out a table like for a massage. And then um, and then when and then
19 she like put the covers on the table and they like, it comes to like (inaudible)
20 whatever and she's like, [REDACTED] Jeff will be up in a second. And then the Jeff guy got
21 there, she was like, she was like, take off your clothes and I didn't know what to
22 do because I was the only one up there and so I just took off my shirt and I was
23 in a bra and then he came in and had a towel over him and he was like no, take

1 off everything. So I just took off my pants and I was in my bra and underwear
2 and he was like now you're gonna give me a massage. Then he went on the
3 table and he's like here, the lady that was putting down the table, got out three
4 lotions and put them on the table and then he picked up out which lotion. He
5 was like, give me a massage with this lotion and then I was giving him a
6 massage and he said you can get on my back. So he was on the table and I
7 was straddling him on his back and giving him a massage and then he was
8 turning around and then he whacked off and then he's like [REDACTED] you have a really
9 hot body and then I was like, that's disgusting, but I didn't say that and then he's
10 like [REDACTED], excuse me for a second and he, I guess he went into the other room and
11 he whacked off again and then he came back and said to me like, I'm done. And
12 then he's like, here's your money and then I was going downstairs and he acted
13 all nice and stuff, he's like bye, nice to meet you, hope you can come back again
14 and then Haley's like how did it go, what did you do. And I'm like, I'm like, he
15 made me give him a massage, Haley and she's like, I know. And then we went
16 to Marshall's and she got a purse and stuff cause she got paid too but I, she
17 didn't do anything, I don't think because she was downstairs the whole time while
18 she knew I was up there.

19 MP: When she asked you to go with her...

20 [REDACTED] Um hm....

21 MP: ...did you know...here's your water.

22 [REDACTED] Thank you.

23 KB: (inaudible)

1 [REDACTED] Okay. Bye.

2 (Inaudible)

3 KB: Um, you know what (Inaudible), I'm gonna down to the dorm. She knows how to

4 find me.

5 MP: Okay. You feel better without her here?

6 [REDACTED] Yeah, because I'm embarrassed cause it's really gross and she....

7 MP: It is.

8 [REDACTED] ...might tell my mom.

9 MP: That's why I'm here. Okay?

10 [REDACTED] And I don't want my parents to find out.

11 MP: Well....

12 [REDACTED] Because I told them it wasn't true.

13 MP: Your parents love you. Okay? And their main thing is for you to be healthy.

14 Okay? Not only physically but up here. And they know that right now your have

15 a lot of issues and I think this is one of them. Because like you said, you thought

16 it was gross. Right?

17 [REDACTED] Cause he's like 45 years old.

18 MP: That's okay. Let's backtrack a bit. When you went with Haley, tell me the part

19 where it was the truth. Okay? You were with Zack and Haley said let's go?

20 [REDACTED] Yeah. Okay, we were watching, I don't remember the movie, but I know we were

21 watching a movie and then we were gonna go and take a ride. Cause me and

22 Zack were gonna get dropped off at the bowling alley so Haley (inaudible) she

23 was saying about her boyfriend and Haley got a phone call and then she was

1 talking to that lady and the lady was like, Haley, Haley was actually saying I'm
2 coming, I'm coming, and Haley was like, can I bring somebody? And then Haley
3 was like, the lady was like what does she look like and she started describing me
4 and then Zack turned around and said to Haley who are you talking to. And then
5 Haley went like that and she was talking to the lady and like just describing me,
6 what I was wearing that night and then the lady was like okay, well Jeff is gonna
7 want to talk to you and Haley was like, that's fine. And then she got off the
8 phone and then Zack said, I was like too, why are you describing me, who are
9 you talking to. And she was like Saige, do you want to go with me tomorrow, I'm
10 gonna go pick up some money from my boss's house. And then she's like,
11 cause I get paid tomorrow and then I said okay. And Zack's like no because I
12 guess Zack knew what she did because Zack said no and he got really mad at
13 me and said no, you're not going, you're not going with her. And then I was like,
14 and she's like, you know, but you just have to come with me and I was like cause
15 the old man's gonna give us both money so we can go shopping. Cause that's
16 like my boss and he's really nice. And I was like okay. And then Zack didn't say
17 anything the rest of the night about it, he was just like really (inaudible) out there
18 and mad. Not really mad but he was just like frustrated that Haley, I guess,
19 would say that.

20 MP: And you didn't know what was really going on.

21 [REDACTED] I didn't know it was gonna, that I had to give him a massage and get naked.

22 MP: What did you think was going to happen?

23 [REDACTED] That, like she just said, I don't know but I knew something was wrong, nobody's

1 just gonna pay you money but I didn't think that I, I thought that was just Haley's
2 business whatever Haley do, just gonna go over there. And she told me that it
3 was a rich guy and she was saying [REDACTED] my God, he's so rich, blah, blah, blah.
4 And he has like a new Mercedes and all this stuff and she's like explaining him.
5 And then, what's it called...so actually we didn't, we left but we didn't end up
6 going to the bowling alley. Her boyfriend went to his house really fast to go get
7 Haley something from his house and then he (inaudible) brought his car back to
8 Haley's house and we were just sitting there watching the movie but she was
9 like, [REDACTED], are you sure you're going to go with me and I was like okay, I'll go
10 with you. I'm like last time, I'm like, what are we gonna do, Haley, we were going
11 to go shopping and we were discussing what we were going to buy with our
12 money, cause she told me how much money I was gonna get, \$300. And I was
13 cool, I know what I'm gonna buy. We're just like saying what we were gonna buy
14 with the money. She said I need to go buy a purse and then the next day,
15 actually I gave her my phone number that night so she could call, so she could
16 pick me up. And when I went in the house that morning, she called me, she
17 Saige are you still gonna come with me and I'm like yeah. So she's like okay,
18 get ready. I'm gonna be there in like 30 minutes and then she came to the
19 house in like 30 minutes. And she had a friend with her.

20 MP: Do you remember the name of the friend?

21 [REDACTED] I don't know her name but she was like really dark, kind of like a Spanish girl. I
22 don't (inaudible)...

23 MP: Darker than me?

1 [REDACTED] Um hm.

2 MP: Okay.

3 [REDACTED] And she had like short hair and she had like a styled hair, like a cute little style. I
4 don't remember her name. I talked to her but I didn't remember her name cause
5 (inaudible) right after I got in the car. And then all the way there, we were just
6 listening to music and singing and stuff and like just laughing and stuff. And she
7 told me the girl about her boyfriend and stuff (inaudible).

8 MP: So you're driving. So Haley picks you up. Do you remember what day it was?

9 [REDACTED] No but I know it was a Sunday because I told my dad, Dad can I please go on
10 Sunday with Haley to go shopping and my dad goes where are you guys going
11 shopping because he didn't know Haley and he said no at first and I was like
12 Dad, that's Haley, you know Zack's cousin and then my dad says okay but I have
13 to meet her. So then Haley called me afterward and then she's like I'm gonna
14 need \$10 for gas and she was like can your dad give me \$10? And then I was
15 like sure but I didn't ask my dad, I just (inaudible) \$10. And then my dad was,
16 okay and my dad called me, he's like (inaudible) I'm not gonna be able to give
17 you money. So then I was really mad but then I didn't tell Haley but my dad
18 ended up (inaudible) (inaudible) when Haley was pulling up, my dad ended up
19 pulling up so Haley and my dad saw each other. And Haley was like, [REDACTED] my
20 God, your dad is so hot. And then I said yeah, right. Started laughing about it.
21 And then my dad gave Haley \$10 for the gas.

22 MP: So you got in the car. What kind of car did she drive?

23 [REDACTED] A truck.

1 MP: What color?

2 [REDACTED] I don't remember but I think it was a bluish color. I think so.

3 MP: So she drove.

4 [REDACTED] Yeah, she drove.

5 MP: She drove?

6 [REDACTED] Yeah and I was in the passenger seat and there was like a whole bunch of junk

7 back behind her and I was sitting next to it, like (inaudible) or stuff for school.

8 And was there....like but I don't know but it took a pretty long time to get there.

9 And you know where, like, the rich people are, what is that street? Where the

10 Kravis Center is but further than that. Like towards the beach more. That way.

11 MP: Yeah, towards the beach.

12 [REDACTED] Yeah. That way. And that's where, yeah, that's like where he lives but when she

13 pulled into, I know for a fact it's a pink house, I remember the pink house and

14 then he had an Escalade in his driveway and then a Mercedes in his garage. I

15 remember that much.

16 MP: Okay. Do you remember... so you took the Kravis way or did you....

17 [REDACTED] I don't remember where we...

18 MP: You don't remember which way...

19 [REDACTED] I just remember the building.

20 MP: It was near the ocean?

21 [REDACTED] Yeah. I know....cause one day when I was with my friend Christina, that's

22 exactly where we went, like around that area, not the CityPlace area but you

23 know, it kind of looks like that area. Like where the Kravis Center was and I

1 remember....that's how I remember.

2 MP: Do you remember seeing the beach and the ocean?

3 [REDACTED] No but we went over that bridge where the ocean was and then the bridge went
4 over.

5 MP: Okay. So you definitely went over the bridge.

6 [REDACTED] Yeah. Went over a bridge. And it was up and we had wait for it to go down. So
7 we were there for like 5 minutes.

8 MP: That was time you were with Haley?

9 [REDACTED] Yes.

10 MP: Okay. And then the house, you said, you described it as pink?

11 [REDACTED] It was like a, it was a two story house and then it was like a pinkish color, pinkish
12 pink color.

13 MP: Were there gates or something in front?

14 [REDACTED] Well, it wasn't a gate but, the back door had a gate to it and it was a [REDACTED] gate
15 and Haley, just like she knew that you had to open it and it wasn't locked so we
16 just opened it and there were three, two or three steps and you just walk up and
17 then he had a pool and it had, like the floor, the floor was like a hard something,
18 it wasn't concrete, it was squares of like concrete, but they were like...

19 MP: Like tile, you mean?

20 [REDACTED] It was like a coral concrete, you know like.. And then the pool was there and the
21 house was there, I guess it was like a security house because a man that was
22 with the security came out and he was like what are you guys here for, cause
23 you're knocking on the door and then Haley said we're here to see Jeff and

1 then...

2 MP: What did that man say?

3 [REDACTED] He was like [REDACTED], okay and she's like, she smiles and then he let her in (inaudible)
4 but he opened the door and then we went in and then (inaudible) and the
5 counter, here's the door when you walk in and there's a (inaudible) refrigerator
6 and then the window, a [REDACTED] sliding window looks out at the pool.

7 MP: Okay.

8 [REDACTED] And then like the cabinet, I mean not the cabinet, the island, was like here and
9 then there's like a cabinet over there and the door was right here.

10 MP: Okay, just for the tape purposes, the way that you described it, okay? Is you
11 walk in and on the left hand side?

12 [REDACTED] Um hm.

13 MP: Cause you motioned right now, who's there?

14 [REDACTED] (inaudible)

15 MP: And then when you walked in, on the left hand side, what did you see?

16 [REDACTED] Like if I was getting out of the doorway?

17 MP: Um hm.

18 [REDACTED] Okay. Well, there's a door. If you looked straight, it would be straight from you
19 but a little towards the right.

20 MP: Okay. And...

21 [REDACTED] It wasn't a door, door. It was just a doorway (inaudible)

22 MP: Okay.

23 [REDACTED] No, wait, maybe it, I don't know, cause it was open, but there could have been

1 door, but it was open so I didn't really pay attention. But I know it was a doorway
2 going up.

3 MP: Okay. So now you're in that kitchen area. Right?

4 [REDACTED] Um hm.

5 MP: The three of you?

6 [REDACTED] Yes.

7 MP: Where did you park the car?

8 [REDACTED] In his little driveway area.

9 MP: So you're in the kitchen area. What happens next?

10 [REDACTED] We were waiting there. We were talking, just about how cool the house was. I'm
11 like [REDACTED] my gosh, I've never been in a house like this. And then the lady and the
12 man came in, Jeff. I'm pretty sure...like 90% positive. And he walked in, he was
13 like in a t-shirt and pants, not pants but you know, like maybe like kind of dressy.
14 And he was like hello, he's like hi Haley and then he said hi to me and then he
15 said hi to the girl. He knew the girl and he knew Haley. But then he said, I don't
16 remember your name but the girl was like, [REDACTED], she's like...I know that he didn't
17 remember her but he knew her.. Do you know what I mean?

18 MP: Um hm.

19 [REDACTED] He didn't remember her name but he knew who she was. And then she's like [REDACTED]
20 hi, and she's like who are you and I'm like, I'm [REDACTED] and then he's like okay,
21 well, then follow my, I don't remember the lady's name but she's, he said follow
22 her (the name) upstairs. So she's like, come on [REDACTED] and then we walked
23 upstairs and I thought.....

1 MP: By yourself?

2 [REDACTED] Yes, but I thought that Haley, cause she said she was gonna get paid, so I

3 thought Haley and the girl was gonna get paid in like, you know, like private,

4 privacy and cause it was just him and her and the other girl in the kitchen. And

5 so I went upstairs and as I was walking upstairs, there was a picture of him in like

6 a different country and then I'm like that's really cool and the lady said isn't it and

7 she was just walking upstairs and there was like a door and then, it was like to a

8 little (inaudible) this big and it had a [REDACTED] and a [REDACTED] and it was like another

9 walkway towards that way. And then walked towards, like keep walking forward

10 and then to my right and there was a bedroom and then we turned right again

11 and there was a big bathroom, a big...it was humongous. And the bathroom. It

12 wasn't like a bathroom, bathroom, it was like a sitting area with a shower there.

13 Humongous shower. Like a jillion people could be in that shower. And then it

14 was humongous. And there was like a door here and you opened it and there

15 was like a little desk with paper and pads and stuff. And I don't know (inaudible)

16 like sitting on the [REDACTED] right here, like against my... there's big long [REDACTED]. And

17 it was pink and [REDACTED]. Hot pink and [REDACTED]. And there.....

18 MP: The room or the sofa?

19 [REDACTED] The sofa.

20 MP: Okay.

21 [REDACTED] And there's a table with a phone on it. And um, during when I was giving him a

22 massage, he made a phone call but I don't remember whether he just said, like

23 he said four words and then hung up. Yeah, I don't remember. And he made a

1 MP: By yourself?

2 [REDACTED] Yes, but I thought that Haley, cause she said she was gonna get paid, so I

3 thought Haley and the girl was gonna get paid in like, you know, like private,

4 privacy and cause it was just him and her and the other girl in the kitchen. And

5 so I went upstairs and as I was walking upstairs, there was a picture of him in like

6 a different country and then I'm like that's really cool and the lady said isn't it and

7 she was just walking upstairs and there was like a door and then, it was like to a

8 little (inaudible) this big and it had a [REDACTED] and a [REDACTED] and it was like another

9 walkway towards that way. And then walked towards, like keep walking forward

10 and then to my right and there was a bedroom and then we turned right again

11 and there was a big bathroom, a big...it was humongous. And the bathroom. It

12 wasn't like a bathroom, bathroom, it was like a sitting area with a shower there.

13 Humongous shower. Like a jillion people could be in that shower. And then it

14 was humongous. And there was like a door here and you opened it and there

15 was like a little desk with paper and pads and stuff. And I don't know (inaudible)

16 like sitting on the [REDACTED] right here, like against my... there's big long [REDACTED]. And

17 it was pink and [REDACTED]. Hot pink and [REDACTED]. And there.....

18 MP: The room or the sofa?

19 [REDACTED] The sofa.

20 MP: Okay.

21 [REDACTED] And there's a table with a phone on it. And um, during when I was giving him a

22 massage, he made a phone call but I don't remember whether he just said, like

23 he said four words and then hung up. Yeah, I don't remember. And he made a

1 phone call and then he put the table back where it was (inaudible). And then....

2 MP: But the lady...so you're upstairs and you're sitting down and the lady's there.

3 What is she doing?

4 [REDACTED], she's, well, there's a closet right here, with a table in it. Like the massage
5 table...

6 MP: Near the sofas?

7 [REDACTED] Yes. Like a door on each side and um, towards the door, there's a door for the
8 table. She took that out and there's like a safe and then like she put it in the
9 middle. It's this way, like long ways. And then she put like put the cloth over it
10 but she's looking around the room, I guess just to look, like she was
11 remembering something, I guess, like where the lotion was. And there are
12 pictures of like, naked girls on the wall and there was like, there was like one big
13 mural of naked girls' like, butts. And then, towards the door, there was like a
14 cabinet here, like a built in thing, like a (inaudible) and um, there's drawers in it
15 and she opened the last drawer and there was a whole bunch of lotions, like
16 millions and millions of kinds of lotions. And she picked out three kinds of lotions
17 and put them on like an armoire kind of thing with a mirror. And she set it there.
18 And then after, she told me, sit here for 5 minutes. Like, just sit there. And
19 eventually he came in and he was like, hi I'm Jeff and I'm like hi, I'm [REDACTED] And
20 he's like, I'll be right back, you can take off your clothes. And then he left. And
21 there's a bedroom out there and he just went out there and I don't know but
22 there's like, pictures out there, I think, I don't remember, he took off his clothes
23 and put a towel over himself. But I don't know if there was a towel thing back

1 there cause it's like, I don't remember....

2 MP: Did he undress in front of you?

3 [REDACTED] No, he didn't. But he took off his towel in front of me.

4 MP: Okay. So he came back in....

5 [REDACTED] Yeah, he came back into the room and he was....

6 MP: Were you dressed?

7 [REDACTED] I was in a bra and he said no, I meant get naked. And then I was, I went like that

8 and he was you can keep your bra and underwear on and but get down to your

9 bra and underwear so I took off my pants. Cause he was real stern about it, like

10 Take Off Your Pants. And then I just took off my pants and then he laid down on

11 the table but like, after he was laying on the table, he took off the towel just

12 enough, you know, like you could see....

13 MP: Did you see him naked?

14 [REDACTED] Yes I did. And it was disgusting.

15 MP: I don't mean to... I know maybe it's disgusting but can you describe him? Did he

16 have any marks, tattoos, was he hairy?

17 [REDACTED] Yes, he was really very hairy on his chest and on his back and towards...okay I

18 don't mean to sound gross but....

19 MP: No, say it the way you would if you were speaking to one of your best friends.

20 [REDACTED] Okay.

21 MP: (inaudible)

22 [REDACTED] Okay. He was laying on his belly side so his butt was like, up. And there was

23 like, he had a very hairy back all the way to here and then there was just like a

1 hairy butt line going down to his butt.

2 MP: Okay.

3 [REDACTED] So gross. Okay, and then...(inaudible)

4 MP: Did you see the front of him?

5 [REDACTED] Yeah. Cause when he got off the table, he like turned this way so everything

6 showed towards me and then he got off and then he went and whacked off and

7 then he came back in. But he was very hairy on his chest area and I just looked

8 for like one second and it was very, very disgusting. Okay. That's all I have to

9 say about that.

10 MP: Do you know what it means....and I have to ask only because there are some

11 people that don't.....to be circumcised?

12 [REDACTED] No. I don't, I don't really know... but I think he was on steroids because he was a

13 built guy and his weinie was very tiny.

14 MP: His wee wee was very tiny.

15 [REDACTED] Yes.

16 MP: And when you mean wee wee, you mean what?

17 [REDACTED] His penis.

18 MP: Yes, his penis. Okay.

19 [REDACTED] Yes, his penis.

20 MP: People call it different things. Alright. I just wanted to make sure we know.

21 Okay. He laid down, he took off his towel and he laid down.

22 [REDACTED] He laid down on the

23 MP: Did he take his towel completely off or just open it so...

1 [REDACTED] No, completely off.

2 MP: Okay. Where did he put the towel?

3 [REDACTED] On the floor. Right like, the table underneath.

4 MP: Okay. So he laid down, took the towel off. What happened next?

5 [REDACTED] And then he's like, get the lotion. So I grabbed the lotion. Which, I had to walk
6 almost naked, but I was in like a thong so yeah, my butt was showing and he, the
7 table is like, I mean the sink was, you know, the lotions were right there and I
8 was over here and he was like go get the lotions just so I could walk past him
9 with my butt showing to go get the lotions. So I got the lotions and he's like, he's
10 like this lotion and then I took that lotion and he's like squirt it on your hands and
11 then massage clockwise on my back cause I didn't know how to do it? and then
12 he's like telling me where he would like the massage, here and here, the right to
13 the left, down more, up more. So I was just massaging and he turned and
14 started having a conversation, [REDACTED] what happened to Haley and I'm like,
15 (inaudible) my ex-boyfriend (inaudible) what's your boyfriend's name. Zack. And
16 he was kind of questioning me and then he said what, he's like, could you stop?
17 I need to go. And I just stopped and I'm like okay. And he got off the table. He
18 put the towel over him. He bent down and got the towel and then he left the
19 room and you could hear him, like, you know, you could obviously tell what he
20 was doing, just like....

21 MP: I don't I won't look at you but do what he was doing, what you heard. I know
22 it's kind of embarrassing but....

23 [REDACTED] He was making like sex noises. You know, like..... I don't.. They were very

1 strange noises. That's all I can say.

2 MP: Okay.

3 [REDACTED] I don't know how to describe them, they were very strange.

4 MP: Can you imitate them?

5 [REDACTED] I don't, I don't want to make a fool out of myself.

6 MP: You won't. You're not making a fool. You know, it might say it's sex noises. He

7 may say I was singing.

8 [REDACTED] Okay. He was like....

9 MP: I won't look at you, go ahead.

10 [REDACTED] He was like oooohhhh, oooohh.

11 MP: Okay, okay, he's making groaning noises.

12 [REDACTED] Yes, groaning noises, that's it. Okay. That was really embarrassing. It really

13 was. He was making those kinds of noises and then he walked back into the

14 room, took off his towel again and laid back on the thing and then he wanted the

15 same kind of massage but he was like [REDACTED] use your (inaudible) a little bit more.

16 MP: You were massaging his back?

17 [REDACTED] Yeah. And then he, he's like, could you, turn over for a second.. (inaudible)

18 (inaudible) go back out of the room. He turned over and he said okay, please

19 massage my boobs. And then I was massaging his boobs and he's like, he's

20 like, [REDACTED], like as I was doing it, as I was massaging, he was making the same

21 noises again like, [REDACTED] my God, it's so embarrassing to do this. He was like....

22 MP: I won't look.

23 [REDACTED] He was going like oooohhh, making those noises. And like 5 minutes after that,

1 and then he turned back around and he just started touching himself and I think
2 the massage was like a half an hour but cause I don't know, the time I think was
3 a half an hour to 45 minutes and then I was done. And then he, I think he has
4 like a safe somewhere because around us he didn't have his wallet or something
5 because right when we got out the door, he left to go put the towel on again and
6 he put the towel on again and went out of the room and he goes you can put
7 your clothes back on. So I put my clothes back on and he walked right out there,
8 like two seconds and then came back like within two seconds. And he's like
9 here's your money. And then he gave me \$300 in hundred dollar bills and they
10 were like brand new because they only had like one crease in them and that's
11 when they're folded in half. And he said thank you for your time. And then he
12 left. And he said you can see your way out and I was just walking and I got lost
13 cause there's so many different rooms and I got lost and I walked back
14 downstairs and Haley was like just smiling and giggling, like, I guess it was what
15 the lady was saying and then she looked at me and she looked back at the lady
16 and then she's like, the lady's like ■, bye Haley cause it was time to go cause I
17 guess because I was done. And then, then we left the same way we came in
18 and then Haley's like ■ my gosh, Haley goes how did you like it. Like how much
19 did he give you, how much did he pay you. And I'm like \$300. And I was kind of
20 like \$300, Haley. Cause the girl was like this. She was looking at me really weird.
21 The other girl that was with her. She's like really quiet though. And then she just
22 looked at me really weird and she's like trying to gaze into my eyeballs. And
23 then we went in the car and when we got in the car, Haley's like, let me see what

1 he gave you. And then I showed her my \$300 and she's like, we're going to
2 Marshalls. And then, give me back my money and I put it in my back pocket.
3 And then she was trying to get me to describe what happened so I told her what
4 happened. And she's like, you could do this every Saturday. He's is like so rich.
5 And I was just kind of like, yeah, we could. And then, she put back on the music.
6 And then, when we were leaving, the lady was walking outside and I (inaudible)
7 one of the cars really fast but she was just going to the passenger seat and she
8 opened the door and then closed it.

9 MP: What did Haley's friend say? Did she say anything about it?

10 [REDACTED] She was just like interested in what happened, like when we were talking, we're
11 like into the conversation and then she was kind of like giggling and laughing,
12 like, I think, I wouldn't say, I mean, I don't know if (inaudible) or not but she
13 wasn't acting surprised, you know, like giggling. She was just of like giggling and
14 laughing along with Haley. And then Haley goes um, and then when I was giving
15 the guy the massage, he goes, I know Haley, she's been working with me for a
16 long time and then when I came back downstairs, Haley goes, you only paid me
17 \$200. So....

18 MP: He liked you better.

19 [REDACTED] I don't know.

20 MP: Well, after you left, where did you go?

21 [REDACTED] Marshalls or to TJ Maxx, one of those two. TJ Maxx or Marshalls. And she
22 bought a black purse.

23 MP: Okay. Did you see Haley after that again?

1 [REDACTED] Um, I don't think so because that's when I got grounded. And then that's when I
2 got in trouble with the fight. So after that, I'm pretty sure I didn't. Most likely.

3 MP: Did you ever speak to her again?

4 [REDACTED] No, because I got my cell phone taken away.

5 MP: Okay. So you haven't see Haley since the day you went to Jeff's house.

6 [REDACTED] Correct.

7 MP: Are you sure?

8 [REDACTED] Yeah. I'm 100 percent sure.

9 MP: How do you know she....now tell me what happened with your dad.

10 [REDACTED] Okay. Because my dad, I didn't know about until my sister told me when she
11 came here. But my sister, on a Thursday, was coming here. And wait,
12 Wednesday night, my dad said that he heard the dog barking and my dog is
13 inside. So he's barking and he's outside, like barking towards outside and then
14 my dad is like shut up cause he forgets the dog's name and the dog wouldn't be
15 quiet. So he's like, I'm taking the dog outside. And then my dad took the dog
16 outside and the dog was way in towards my dad's truck, like my dad thought he
17 was attacking the animals but my dad, a person, a boy, I don't know for a fact
18 but I know in my heart its Zack. Because Zack got really mad over the whole
19 situation.

20 MP: Did you tell Zack what happened?

21 [REDACTED] Yeah. And that's when, he punched a wall and he like my face was right there
22 and he punched the wall, like my face was right there and he punched the wall
23 right next to my face. And he started getting all upset and crying and calling

1 Haley, how could you do this? Blah, blah, blah. And then Haley's like, okay, I
2 won't do it again. And like she just kind of like hung up and he was like I hate
3 her, I hate her and then I hate you too. And I was like okay and we broke up and
4 then I think (inaudible) on the computer and I think he told Sheena what
5 happened and she turned it into an extraordinary, like story so at school so I
6 would look like, you know, like I'm the bad person, like I'm a slut, I'm a whore or
7 something and she's going around school saying all this stuff and then so my
8 parents came, cause that's when I got mad at her and told her to stop talking but
9 she wouldn't stop talking about it. So I just got in a fight with her, like a fist fight
10 at school. And I got suspended and so did she but she only got suspended for
11 one day because I started the fight. So I got in trouble more. And my dad got
12 really mad and he grounded me for it, because he found the \$300 in my wallet
13 and then my dad was like, you're grounded, you're grounded forever and he's all
14 freaking out, how could you do this, blah, blah. The school said you did. And
15 um, I didn't tell the school how, I told them I got it from my job, cause I worked at
16 Chick Filet but I quit. So I said I (inaudible) but nobody believed me so I was just
17 like believe what you want. Cause I didn't want to tell the principal or my
18 parents.

19 MP: Well, I think that the best thing that you're doing is that you're being honest.
20 Okay?

21 [REDACTED] Um hm.

22 MP: You already know that they have a pretty good idea what happened. Okay?

23 [REDACTED] I didn't even know there was like an investigation.

1 MP: Well, that's....

2 [REDACTED] I just knew.

3 MP: Well, this is why. What's happening is that I was made aware of this situation...

4 [REDACTED] From my school?

5 MP: I'm not gonna say, okay? I was made aware of this situation. And they look at it

6 like you were taken advantage of. Not that you did anything wrong, okay? Even

7 though you went there willingly. Even though you went there willingly, you were

8 still taken advantage of. Okay? Because you were put into a position that you

9 felt you had no choice. Once you were there, before when you were telling me

10 about how Jeff told you to take off your clothes? You took your pointer and you

11 said he was really stern and you banged your leg, you put the pointer on your leg

12 when you said that. How did you feel when he told you to take your clothes off?

13 [REDACTED] I don't know. I didn't know what else to do because I was the only person up

14 there and he's like 45 years old and he has like big muscles, because, I don't

15 know, but I'm pretty sure 45 years old and big muscles, body builder.

16 MP: Okay.

17 [REDACTED] So I just felt intimidated because he's guy, first of all, and I'm a girl and I know

18 that Haley was all the way downstairs with the lady and what was Haley going to

19 do to help me all the way upstairs so I just did it.

20 MP: Okay. Now, there's one way I'm a little confused at because you said that, and

21 I'm using your words okay, that he whacked off twice. You said before that he

22 whacked off twice. When did he do that?

23 [REDACTED] In between giving him a massage, like when I was giving him a massage, he was

1 got, he was like, excuse me for a minute and he just left the room.

2 MP: Okay, so that's once. When was the other time?

3 [REDACTED] Like during the thing, like when I was massaging his boobs.

4 MP: When you..okay, when you were massaging his boobs, was his back flat on the
5 table? How was he positioned?

6 [REDACTED] Well, he was at first and then when he started to whack off, he got like, his back
7 went off the table, kind of like leaning...

8 MP: Okay, where were you standing?

9 [REDACTED] I was standing up. I was not on him. I was standing up (inaudible) and I was
10 like....he was towards, okay, he was on the table. I'm right here and he's leaning
11 that way.

12 MP: Okay.

13 [REDACTED] ..like (inaudible) cause I guess, I don't know, but... and he was like, my face, it
14 got hard to see what was going on because of how low I was and he just kind of
15 moved his head the other way and he was like, wants....

16 MP: Okay, but just now, when you're saying that, you moved your hand. Did you see
17 him whacking off?

18 [REDACTED] Yes. I saw him whacking off.

19 MP: Okay. That's what I need to know. Cause you said he whacked off twice.

20 [REDACTED] Um hm.

21 MP: So he whacked off in front of you?

22 [REDACTED] Um hm.

23 MP: And you saw his hand doing or you saw his eyes, what was going on?

1 [REDACTED] Okay. I saw his face, facial expressions and noises.

2 MP: Okay. What else did you see?

3 [REDACTED] I just saw him...

4 MP: You keep moving your hand so...in other words, he took his hand and what was

5 he doing with his hand?

6 [REDACTED] I don't know how to explain it. He was just whacking off.

7 MP: Okay, describe...don't....

8 [REDACTED] Okay, sorry, he put his hand on his penis and he put it up and down and he was

9 like making facial noises, I mean facial expressions and making noises.

10 MP: So you saw him doing that, he did that in front of you?

11 [REDACTED] Yes.

12 MP: Do you know what it means when someone ejaculates?

13 [REDACTED] It means they're horny?

14 MP: No, what it means is that once they, while they're whacking off and I'm using

15 your words, okay. Another word for that is masturbating. Okay?

16 [REDACTED] Yes.

17 MP: Do you know what it means to masturbate? A boy does it?

18 [REDACTED] I don't know why they do it or I know why they do it but I don't know what it

19 does...

20 MP: Okay.

21 [REDACTED] To them.

22 MP: In other words, fluid comes out of their....

23 [REDACTED] [REDACTED], okay.

1 MP: Okay? I'm just being very... I'm gonna tell you because I think....
2 [REDACTED] I know that part.
3 MP: Okay. So fluid comes out and that's ejaculating. And it's called semen. So
4 while he was whacking off, okay, did you see any fluid come out?
5 [REDACTED] It was, yes, because he had to take the towel and wipe his thing before he got off
6 the table again to go get the \$300.
7 MP: Okay.
8 [REDACTED] He took the towel and like... And then, okay, like he took the towel to wipe
9 himself and then like as he was getting off and then this way instead of this way,
10 this way, like that.
11 MP: Okay. Since you've seen his penis, was there anything distinctive about it? Like
12 did he have a mole on it?
13 [REDACTED] No, it was very small.
14 MP: Very small, that's fine. Did you notice...you said he was very hairy on his chest.
15 Did he have any tattoos?
16 [REDACTED] Uh uh, not that I saw.
17 MP: Did he have any scars?
18 [REDACTED] No, but he had freckles somewhere because he was huge.
19 MP: You're pointing at the chest area.
20 [REDACTED] Yeah, some freckles.
21 MP: Like a mole or a freckle?
22 [REDACTED] A freckle.
23 MP: Okay. Can you tell me what he looks like?

1 [REDACTED] He had like not [REDACTED] hair but it was, not [REDACTED] but it, you know, it was kind of like,
2 like me. It was like.... I don't know.

3 MP: He was going gray.

4 [REDACTED] Yes. He was going gray. And he had...

5 MP: What color hair did he have before? Blonde, [REDACTED]?

6 [REDACTED] No.

7 MP: You were describing Jeff to me, with the freckle and he was going gray and what
8 else?

9 [REDACTED] Um, like he, like his skin color is like, when I saw him, when you have a sunburn,
10 but its like when you have it a couple of days and it's turning into a tan. It was
11 like a reddish tannish color. And he had like a long face and that's about all I
12 can remember and he had a [REDACTED] t shirt when he first came in.

13 MP: Okay.

14 [REDACTED] I don't really remember...

15 MP: Did he have any [REDACTED] of like jewelry on his body that you noticed?

16 [REDACTED] I didn't, I don't remember.

17 MP: Okay. Do you remember what color eyes he had?

18 [REDACTED] Nope.

19 MP: Did he have any facial hair, like a mustache? Or a goatee or anything?

20 [REDACTED] Hmm....No but his eyebrows were really thick and they were bushy, like
21 everywhere.

22 MP: Okay. Did he ever ask you to do anything other than massaging him?

23 [REDACTED] No.

1 MP: Are you sure?

2 [REDACTED] Yes.

3 MP: Did he try to, did he try at anytime to grab your hand, just try to put it

4 somewhere?

5 [REDACTED] No. No, no, no. I know what you're getting at. No, I did not whack him off.

6 MP: Okay. You said that you straddled him.

7 [REDACTED] Um hm.

8 MP: What do you mean by that?

9 [REDACTED] When..he was on his stomach and I was giving him a massage, like I was, you

10 know where, like, on...on, like the butt? And then like, I was sitting on his butt

11 but a little bit above his butt. And I, it was, I was butt naked and he was butt

12 naked and....

13 MP: Okay.

14 [REDACTED] ...my butt was, my butt cheeks were on the top of his butt and the real little of his

15 back.

16 MP: Now when you say you were butt naked.....

17 [REDACTED] I meant with underwear and a bra.

18 MP: Okay. Now, did he ask you to get on top of him?

19 [REDACTED] Um hm.

20 MP: Or did you do that on your own?

21 [REDACTED] No, he's like..because at first, I was giving him a massage like you know,

22 standing up. And he, then he's like it would be feel more comfortable if you got

23 on my back. Could you please do that....and then I did that. Like, I did, um, like,

1 I wasn't, at first I didn't want to sit on his hairy you know, butt. So it was kind of
2 like, you know, like, pushing my legs on the table so like I could kind of sit up and
3 he was like could you please just put all...like sit on me, put all your body weight
4 on me. And then I went, I was just kind of like kind of think I did when I was
5 actually sitting on him, I didn't realize what it was and then like, I got grossed out
6 and as I'm going down, kind of like popped up again. Cause it was gross.

7 MP: Okay. He never tried to touch you?

8 [REDACTED] Besides like, you know, well, what do you mean by touching, like sexually
9 touching me?

10 MP: No, did he try to touch you or...

11 [REDACTED] He put his hand on my back when he was whacking off or masturbating. Like,
12 he was just like....

13 MP: You keep, like motioning, like smacking.

14 [REDACTED] No,...

15 MP: What do you....

16 [REDACTED] Like, when you're leaning on something, putting your force on it? He was going
17 like that, like...pulling, not, you know, like....

18 MP: Can you show me what you mean?

19 [REDACTED] Okay. He was.....

20 MP: Let's say I'm on my back. Where would you be, I'm Jeff, where would you be
21 standing?

22 [REDACTED] I'm right here. I was like, I was like sitting right here.

23 MP: Okay.

1 [REDACTED] Okay and when he backed up.

2 MP: Which way, this way?

3 [REDACTED] Yeah.

4 MP: Okay, I'm going to my left.

5 [REDACTED] All the way around til your back's on the table.

6 MP: Okay. I'm facing you.

7 [REDACTED] And then you're, your face is a little bit that way...

8 MP: My right. Okay.

9 [REDACTED] And (inaudible) towards, like on his knees, kind of....

10 MP: Okay, I'm hunched over a little bit.

11 [REDACTED] And I'm over here. And I'm still giving you a massage and everything but this

12 hand is around me and (inaudible)

13 MP: Okay. My left hand would be...so is my left hand around your shoulders?

14 [REDACTED] No, under my arm while I'm going like that...

15 MP: Okay. So I'm holding you like around by the waist.

16 [REDACTED] Um hm. And that hand was on his...

17 MP: His right hand.

18 [REDACTED] Yes.

19 MP: Okay. It just gives me a better picture of trying to understand, that's why.

20 [REDACTED] Um hm.

21 MP: And I appreciate you doing that. I don't mean to make you feel uncomfortable.

22 Do you feel uncomfortable?

23 [REDACTED] No.

1 MP: Okay. After everything was done, okay, did he watch you get dressed?

2 [REDACTED] No. Cause I was getting dressed while he was out there getting the \$300. I

3 guess that's what he was doing. That's the only thing he came back in with. He

4 was still in a towel and stuff.

5 MP: In the room, at all, do you think...and I don't know if there is or not, but do you

6 think there is anything in there that may have recorded what you did?

7 [REDACTED] [REDACTED] my gosh....

8 MP: A video camera...

9 [REDACTED] [REDACTED] my gosh. I didn't think about that. There was lots of places there could have

10 been one because there's pictures, that could have been, I don't know....

11 MP: When he walked out... the reason why I ask is because he walked out once and

12 then came back in, right?

13 [REDACTED] Yes.

14 MP: So it could be just so he could whack off. I was just curious. I don't know if

15 there is or not.

16 [REDACTED] If there was, I did not know about it.

17 MP: Okay. So you get dressed, you go downstairs. Where is that woman again?

18 [REDACTED] Downstairs talking to Haley and the other girl.

19 MP: Okay.

20 [REDACTED] They were having a conversation.

21 MP: Okay. At any time, did he speak to you or does he know how old you are, did he

22 know how old you were?

23 [REDACTED] Okay. Yes. And, as a matter of fact, Haley told me to say I was 18, because

1 Haley said tell him you're 18 because if you're not, he won't let you in his house.
2 So I said he was 18. As I was giving him a massage, he was like how old are
3 you. And then I was 18. But I kind of said it really fast because I didn't want to
4 make it sound like I was lying or anything.

5 MP: So what other things did he ask you?

6 [REDACTED] Um, how I know Haley, what school I went to.

7 MP: Did you tell him what school you went to?

8 [REDACTED] Yeah but I told him Wellington. I didn't tell him [REDACTED] Palm.

9 MP: Did he ask you what grade you were in or did you tell him what grade you were
10 in?

11 [REDACTED] Yeah, he was like what grade are you in? Because I told him I was in 12th grade
12 still.

13 MP: Okay.

14 [REDACTED] Because I told him I was 18 so I had to...

15 MP: So you told him you were in 12th grade?

16 [REDACTED] Yes.

17 MP: Are you sure?

18 [REDACTED] Yes.

19 MP: Okay. What else did you talk about?

20 [REDACTED] Um, that's about it. And he was kind of asking me like how I knew Haley, is
21 Haley nice to me and then he told me how he knew Haley and he was like, I was
22 kind of like, how do you know Haley. Cause I brought up the conversation. He
23 said well I know Haley because she's been working for me for a long time. And

1 then like, I kind of, you kind of get the picture, working for you and hello, I'm
2 sitting there giving him a back massage. So I kind of figured it out.

3 MP: He never said that, he just...

4 [REDACTED] Yes..

5 MP: ...said that she worked for him.

6 [REDACTED] Yeah but don't...on our way back home, that, like, doesn't make any sense if she
7 didn't do that because why would Haley be doing (inaudible) for almost the same
8 amount of money as me.

9 MP: Right. Well, why couldn't he pay her that day?

10 [REDACTED] I don't know, because that's a good question. Cause she didn't, as far as I know,
11 but I don't know but I'm pretty sure she didn't tell me, she didn't think. She was
12 just downstairs having a conversation. And I think that when I went up to the
13 lady, he paid her because like, you know, so because, he paid her while I went
14 upstairs and when I went downstairs, she was still talking to the lady still and she
15 goes, when we were in the kitchen waiting, the old man to come to the house
16 still, she said, [REDACTED] the chef is so hot, he works here and she was like, and she's
17 like he's so hot, you know, saying his face and then the other girl (inaudible)
18 because when we saw the chef come in, he was old, too. He was like...

19 MP: So Haley likes older guys.

20 [REDACTED] Must like it.

21 MP: Okay. So you left and that was the last time you see him.

22 [REDACTED] Yes and that's the last time I went....

23 MP: Has Jeff ever tried to call you?

1 [REDACTED] Nope. And...

2 MP: Did you leave a phone number?

3 [REDACTED] Yeah. Actually I did. Cause when I was leaving, he goes um, please leave your
4 phone number so Haley can keep in touch with you because she doesn't have
5 your phone number. So I didn't, I just gave him my cell phone number. I didn't
6 give him my house number, I gave him my cell phone number.

7 MP: And how long ago was this?

8 [REDACTED] [REDACTED] my gosh, I couldn't tell you the date but....it was about maybe, [REDACTED] my gosh, a
9 month and a half ago. I don't really know..

10 MP: In February?

11 [REDACTED] I...

12 MP: Because we're in March right now.

13 [REDACTED] Either the very beginning of February or the end of January. I couldn't tell you...

14 MP: How long after did you get into that fight with Sheena?

15 [REDACTED] Um, like a week, cause...

16 MP: You got into a fight with Sheena on the 9th.

17 [REDACTED] Okay, so yes, it was about a week after....or before.

18 MP: Okay. And who else besides Zack did you tell what happened?

19 [REDACTED] That's it.

20 MP: Besides Haley of course.

21 [REDACTED] Zack and Haley.

22 MP: Do you think Haley has brought anybody else that you know of?

23 [REDACTED] No, but she wanted me to bring my sister but that same day was going to her

1 MP: Are you lying about anything?

2 [REDACTED] No. I'll swear on the bible.

3 MP: Okay. Swearing to God, that's good enough for me.

4 [REDACTED] I swear to God.

5 MP: Okay. Is there anything else you'd like to talk to me about?

6 [REDACTED] No, because that's about....nothing else about the whole thing.

7 MP: So that's it. You did not have any kind of sex with him.

8 [REDACTED] Heck no!! I will swear on my mother's grave...

9 MP: You know what having sex with somebody means?

10 [REDACTED] Yes, I know what having sex with somebody means.

11 MP: Okay. You, at no time, touched his penis?

12 [REDACTED] At no time did I touch his penis.

13 MP: At any time, did he touch you.....

14 [REDACTED] At no time...

15 MP: Besides putting his hands...

16 [REDACTED] Besides that, no times did he touch me.

17 MP: And just so I can be sure, you saw him whacking off once.

18 [REDACTED] Yes, I saw him.

19 MP: Okay. And as far as you think.....

20 [REDACTED] I think, I know, well, I couldn't say I know, but it's the same noises were being

21 made when he was (inaudible).

22 MP: And that's it. I thank you very much. This will conclude the interview. The time

23 now by my watch is approximately 3:05.

Mostly country although I like anything. I am currently in love with fallout boy, and 36 mafia. It all depends on my mood.

I love reading! I am such a dork! I love romance novels, and suspense. I also enjoy self-help books (yeea go figure!)
