3 DETECTIVE: October 11, 2005 UI number UI Detective Joe Recarey [ph].
4 Present with me is detective Dawson of the Palm Beach Police
5 Department. Um, we are at 1071 Kingsley Road in Jacksonville,
6 Florida. Uh, the time on my watch is approximately 4:10 p.m. Uh,
7 present with me is – state your name please.
8
9 [REDACTED] [REDACTED]
10
11 DETECTIVE: And your name is?
12
13 [REDACTED] FRIEND: Shayna Jasmine UI.
14
15 DETECTIVE: Shayna?
16
17 [REDACTED] FRIEND: Jasmine UI UI.
18
19 DETECTIVE: Casman [ph]. All right. I'll cut it short, I'll put Shayna Casman.
20 And you're here just for moral support.
21
22 [REDACTED] FRIEND: Yes.
23
24 DETECTIVE: Okay. And, um, Ms. [REDACTED], can you, um, state your date of birth for
25 me?
26
27 [REDACTED] [REDACTED]
28
29 DETECTIVE: Okay. All right. Can you raise your right hand for me? Do you
30 solemnly swear to tell the truth the whole truth and nothing but the
31 truth, so help you god?
32
33 [REDACTED] I do.
34
35 DETECTIVE: Okay. Um, you finished high school?
36
37 [REDACTED] Excuse me? In May.
38
39 DETECTIVE: In May. Of this year, 2005?
40
41 [REDACTED] This year.
42
43 DETECTIVE: Okay. Um, and you're going to be starting college very soon,
44 correct?
45
46 [REDACTED] January 9th.

1
2 DETECTIVE: January 9th
3
4 [REDACTED] 2006.
5
6 DETECTIVE: Okay. So you understand everything that's going on here and
7 everything that I'm asking you, correct?
8
9 [REDACTED] Correct.
10
11 DETECTIVE: Okay. Um. Obviously I've explained that I am investigating a
12 case, uh, involving a subject that you may know, um, by the name
13 of Jeffrey or Jeff Epstein. Uh, he's a resident in uh, Palm Beach.
14 Um, I believe you may have some information pertaining to this
15 case. Um, if you could in your own words, um, can you explain
16 from the beginning, as to, uh, what happened, and
17
18 [REDACTED] There's like a year and a half, almost two years to go over. Like,
19 do you want me to go through everything, or do you want to
20 specifically ask me stuff?
21
22 DETECTIVE: //Well, ah, start from like how you met him, and then I'll, I'll take
23 you through.
24
25 [REDACTED] //Okay. Um [REDACTED] heard me over talk – we worked at
26 Hollister together in the Wellington [REDACTED] Mall, and I was
27 mentioning to her how I wanted extra money to go to Maine. Um.
28
29 DETECTIVE: Is that where you're from?
30
31 [REDACTED] No, but I wanted to go camping. I like to go camping.
32
33 DETECTIVE: All right.
34
35 [REDACTED] So I wanted to go camping for the summer, and I couldn't afford a
36 plane ticket. And [REDACTED] goes '[REDACTED], well, you can get a plane
37 ticket in two hours.' I said, what are you talking about? Like,
38 what are you, that didn't make any sense to me a plane ticket in
39 two hours, what are you talking about? And she goes '[REDACTED], we can
40 go and give this guy a massage, and, um, he'll pay two hundred
41 dollars for like forty-five minutes or an hour.' And that's all she
42 told me no details no nothing.
43
44 DETECTIVE: //Okay.
45

1 [REDACTED] Um, a couple of days later, I believe it was a Saturday night. I'm
2 almost positive it was, cause I know I didn't have to go to school
3 the next day. Um, and definitely wasn't a Friday. So it next
4 Saturday night after that. She set it up, and I picked her up from
5 the her apartment, and we drove to the island and I worked, um,
6 and he paid her three or four hundred dollars to bring me.
7
8 DETECTIVE: Okay.
9
10 [REDACTED] And that was it.
11
12 DETECTIVE: All right. Um, and this was a year and a half ago, correct?
13
14 [REDACTED] Maybe two, I'm not sure, I didn't really keep track
15
16 DETECTIVE: //Okay. How old were you when you first, uh, went over there?
17
18 [REDACTED] If it was two years ago I was sixteen, if it was a year and a half, I
19 would have been sixteen or seventeen, I don't know.
20
21 DETECTIVE: Okay.
22
23 [REDACTED] Like, I really don't know.
24
25 DETECTIVE: Okay. When you first went to give a massage, um, you were
26 explained that, it was just a massage?
27
28 [REDACTED] Just a massage.
29
30 DETECTIVE: Okay. Did she explain, um, how you would have to be dressed to
31 give a massage?
32
33 [REDACTED] She said that he wanted cute girls, so I looked cute, did my best, I
34 didn't – I didn't think that it was what it was. I wasn't naïve
35 enough to think that he was gonna pay me two hundred dollars just
36 for nothing, [stutters] I, I don't know, like I don't know what was
37 going through my head. I absolutely don't know. And I – the back
38 of my mind I was thinking, [REDACTED], well, it could be legitimate, but I
39 was also thinking, you know, at the same time, is she fucking
40 crazy? Like, this guy's not gonna pay you money for not doing
41 anything, not letting him cop a feel or nothing. You know? So I
42 didn't know what to think, I was like [REDACTED], I'll just go and I'll feel it
43 out and if I don't like it, I'll leave. Like, in the middle of it, like I
44 don't care. If he does something that I have a problem with then
45 I'll leave.
46

1 DETECTIVE: Okay. When you went, how, um. You drove?
2
3 [REDACTED] Uh huh.
4
5 DETECTIVE: You drove with [REDACTED]
6
7 [REDACTED] Yes.
8
9 DETECTIVE: Okay. Um, you pulled up to the house,
10
11 [REDACTED] Uh huh.
12
13 DETECTIVE: Take me from there.
14
15 [REDACTED] Pulled up to the service entrance, went up through the um, the little
16 [REDACTED] gate that leads to the backyard. We, I pressed or she pressed
17 the little intercom button thing, and uh, said 'It's [REDACTED], I have
18 my friend with me.' And, they all knew I was coming. They knew
19 me by name, greeted me with, like, [REDACTED], [REDACTED], we're so happy to
20 see you. You know, Jeffrey will be ready in a second. You know.
21
22 DETECTIVE: Who were you introduced to?
23
24 [REDACTED] One of his girlfriends. One of his, like, slaves that he has live with
25 him. And when I say slaves, like one of the girls that he bought to
26 like have sex with him. Um, I was introduced to one of them
27 probably like... Sarah. I was introduced to Sarah. Um, that's his
28 assistant, I think, I think they have sex, but I don't know. Um, I
29 was introduced to his assistant Sarah and she's the one who told
30 me that he would be ready in a second. And from there I met
31 various other girls. I don't really, I didn't pay attention to who
32 they were though. But I saw Sarah all the time after that so I
33 remember her.
34
35 DETECTIVE: Okay. How were you brought, uh, to Jeffrey?
36
37 [REDACTED] Um, let me, I'm trying to remember. I went - there's a staircase in
38 the kitchen,
39
40 DETECTIVE: Uh huh.
41
42 [REDACTED] And I went through the staircase in the kitchen up to the [REDACTED]
43 suite, um, into the, like there's two bathrooms
44
45 DETECTIVE: //Uh huh
46

1 [REDACTED] One has like a steam shower and then the other one's like this, the
2 other one is like, um, a regular, it's just a regular bathroom. But
3 then there's another bathroom with a steam shower, and like, I
4 don't know. There's two bathrooms in there, I'll just make it easy.
5 There's two bathrooms. I was brought into the one bathroom, the
6 massage bathroom with the steam shower, and [REDACTED] was with
7 me, and Sarah was like [REDACTED], just wait here, yadda yadda.' So
8 [REDACTED] and me were waiting on the [REDACTED] in the bathroom, and,
9 um, Jeffrey comes up and he's like 'Hey, I'm, I'm Jeffrey.' He
10 just introduced himself and, he hands [REDACTED], I remember this
11 cause I was pissed off that she got paid to bring me. Like I was
12 pissed off. He hands her a wad of hundred dollar bills and says
13 'Thank you' and she says 'I'll wait for you downstairs' and I was
14 like 'All right, I'll see you in a little while.' And that's how I was
15 brought to Jeffrey.

16
17 DETECTIVE: Okay. Take me through the massage. Uh, that first massage.

18
19 [REDACTED] Um. Hold on, I'm remembering, I'm like picturing in my head. I
20 wore a skirt. I remember specifically what I wore, I wore a skirt
21 and just a regular t-shirt. And I was massaging his legs, and he
22 asked me to take off my skirt. And I said, I think I said no at first.
23 And he's like, 'Come on, you're not showing' – he talked me into
24 it basically, he's like [REDACTED], you're not showing anything,' or did
25 something, I don't even know. So I ended up taking off my skirt,
26 and then he goes, well I think he just started touching, you know,
27 the top of me. So and then he asked me

28
29 DETECTIVE 2: When you're saying the top of you, you mean your breasts?

30
31 [REDACTED] Yeah. And then he asked me to take off my shirt. So I took off
32 my shirt but I kept my underwear on. And I wouldn't take my
33 underwear off, I told him no. And he still paid me the same
34 amount. And that was that, I went home.

35
36 DETECTIVE: Okay. You had on your

37
38 [REDACTED] I had my panties on.

39
40 DETECTIVE: Panties.

41
42 [REDACTED] Nothing else. I was topless

43
44 DETECTIVE: //Okay

45

1 [REDACTED] I gave him the massage, I had my panties on. And he had
2 requested me to take them off but I didn't.
3
4 DETECTIVE: Okay. Were they regular panties, were they thong panties, were
5 they
6 [REDACTED]
7 I don't know.
8
9 DETECTIVE: You don't remember? Okay.
10
11 [REDACTED] No.
12
13 DETECTIVE: Okay. During the massage, did he do anything to himself?
14
15 [REDACTED] Yeah. [pause] What word do you want me to use, cause I already
16 told UI
17
18 DETECTIVE: //Whatever word, I know. Whatever word you feel comfortable
19 with
20
21 [REDACTED] //I don't want to be crude.
22
23 DETECTIVE: Well, whatever word you're comfortable
24
25 [REDACTED] //Okay, well I'll just say it, whatever. He masturbated.
26
27 DETECTIVE: Okay.
28
29 [REDACTED] While UI the massage. And the massage was over as soon as he
30 was finished with himself.
31
32 DETECTIVE: Okay. So in other words, he
33
34 [REDACTED] Finished with himself and that was it, yeah. He ejaculated,
35 specifically.
36
37 DETECTIVE: // Okay. Okay. That was the very first time you went there.
38
39 [REDACTED] Uh huh.
40
41 DETECTIVE: And, I know. Take a deep breath, I know, I can see it in your eyes
42 already. Um, from then on, you went there multiple times?
43
44 [REDACTED] I first told him, like, I had a problem with it, what happened the
45 first time. But two hundred dollars for forty minutes, that was a lot
46 for a sixteen-year-old girl making six bucks an hour.

1
2 DETECTIVE 2: So you're saying you're sure you were sixteen now?
3
4 [REDACTED] Uh, [sigh] I don't want to say I'm sure of my age. I was under
5 seventeen a hundred percent.
6
7 DETECTIVE 2: So you were sixteen and something, you weren't, it wasn't your
8 seventeenth birthday yet.
9
10 [REDACTED] If you give me a moment I'll recall.
11
12 DETECTIVE: Yeah, sure. Take your time.
13
14 [REDACTED] Um, this past summer I was
15
16 DETECTIVE 2: How old are you right now?
17
18 [REDACTED] I'm eighteen right now.
19
20 DETECTIVE 2: Okay, so this December,
21
22 [REDACTED] This?
23
24 DETECTIVE 2: Not this past December, the one before it, you turned seventeen.
25 So it's before
26
27 [REDACTED] //Yeah. It was
28
29 DETECTIVE 2: Two Christmases ago.
30
31 [REDACTED] During that summer.
32
33 DETECTIVE 2: So it was the summer before you turned seventeen.
34
35 [REDACTED] Uh huh. As far as I remember, yeah.
36
37 DETECTIVE 2: One of those months, you don't know if it was June, July, August,
38
39 [REDACTED] It was during the summer. I mean, my summer since I'm in school
40 is only considered like June, July, and half of August, and it was in
41 between those. Because I wanted to go to Maine for the summer.
42
43 DETECTIVE 2: //Did you go to Maine?
44
45 [REDACTED] No.
46

1 DETECTIVE 2: Okay.
2
3 [REDACTED] No I did not.
4
5 DETECTIVE 2: But you remember that that was the summer you wanted to go to
6 Maine.
7
8 [REDACTED] Uh huh.
9
10 DETECTIVE: So that was two summers ago when you were sixteen years of age.
11
12 [REDACTED] Yes.
13
14 [REDACTED] FRIEND: You were, you were able to drive by yourself, so you had to be at
15 least sixteen.
16
17 [REDACTED] Yeah, so I was sixteen.
18
19 DETECTIVE 2: Okay. Um, when you, the first time you went, when he
20 masturbated, did you see?
21
22 [REDACTED] [giggles]
23
24 DETECTIVE: His member?
25
26 [REDACTED] [REDACTED], I thought you were going to ask me if I saw, like, his come.
27
28 DETECTIVE 2: No.
29
30 [REDACTED] I saw all of the above.
31
32 DETECTIVE 2: You saw him naked, fully naked? Fully naked?
33
34 [REDACTED] //Yeah, a hundred percent naked. He had a towel on for some of it,
35 but that doesn't mean anything, like, he was naked.
36
37 DETECTIVE: He took off the towel?
38
39 [REDACTED] I saw everything, yeah.
40
41 DETECTIVE: Okay. Do you know the difference between circumcised and
42 uncircumcised? Yeah. Would you say...
43
44 [REDACTED] He's uncircumcised.
45
46 DETECTIVE: Uncircumcised?

1 [REDACTED]
2 [REDACTED] I mean, I'm sorry, he is circumcised, my bad. He's circumcised, a
3 hundred and ten percent sure. A matter of fact, he has some sort of
4 birth defect. On his thing. I don't know what it is [giggles] I've
5 never like really looked at it, because I've never done anything
6 where I had to touch it. I've never touched it out of the whole time
7 I worked for him I never touched his penis. Like, he I'm pretty
8 sure he he rubbed it against me, but I've never ever been like, okay
9 I'm letting you do this or I'm gonna do this to you. Um, it's really
10 weirdly shaped. I don't know, do you want me to like tell you
11 this?
12
13 DETECTIVE: Yeah, please.
14 [REDACTED]
15 Is this proof? Like,
16
17 DETECTIVE: I do, I do want you to tell me.
18
19 [REDACTED] Cause I feel like [sighs]
20
21 DETECTIVE: I know, I know.
22 [REDACTED]
23 [REDACTED] FRIEND: You're talking to your girlfriends. Don't think of them as guys.
24 You're talking to your girlfriends,
25
26 [REDACTED] [giggle] Okay [giggle]. I'm just really embarrassed.
27
28 DETECTIVE: I know, it's okay.
29
30 [REDACTED] Um, it's like a teardrop, like a drop of water. It's really fat at the
31 bottom and skinny at the top where its attached. And, he can never
32 get fully hard, ever. Like, I just could tell by looking at it, like, by
33 looking you can obviously tell if you're hard or not and I could tell
34 that he wasn't.
35
36 DETECTIVE: Okay.
37 [REDACTED]
38 So I don't know if that's some sort of thing that's wrong with him,
39 but it definitely was not normal. And I have, I mean it's not like I
40 sleep around, you know, but I've seen, and it was not normal.
41
42 DETECTIVE: Right, in movies and stuff.
43
44 [REDACTED] Yeah.
45

1 DETECTIVE: The next time you went, or as you continued to go, did it escalate
2 more?
3
4 [REDACTED] Uh huh. I actually, I don't remember how long it took for me to
5 start working for him regularly from the first time I went there, um.
6 But, I started working every day. Every single day he was in the
7 country I would be there. Um, I'm, I'm sorry, I like – can you give
8 me a second.
9
10 DETECTIVE: Sure, absolutely.
11
12 [REDACTED] Yeah. I started working there every single day, and um, I told him
13 that I wouldn't let him put anything inside of me, that was my rule.
14 Nothing inside of me, no fingers, no, no nothing, absolutely
15 nothing inside of me. He increased my pay to three or four
16 hundred dollars as long as he could touch me. Um, I still never, I,
17 I swear I never touched him, the whole entire time I never ever
18 touched him. Um, but he, he
19
20 DETECTIVE: //How many times would you say you went?
21
22 [REDACTED] Hundreds. Hundreds, I was – he used to tell me I was his favorite.
23 He bought me a car. He bought me
24
25 DETECTIVE: //This Jeep that you're driving?
26
27 [REDACTED] No. I had a brand new Dodge Neon. I got plane, I got a plane
28 ticket to New York, I got spending money whenever I wanted.
29 Like, I was in there deep. I was – he asked my parents to
30 emancipate me so I could live with him. Or he didn't ask my
31 parents, he asked me to ask my parents, I'm sorry. He act – he
32 actually wanted me to come live with him.
33
34 DETECTIVE: As like a girlfriend?
35
36 [REDACTED] Sex slave, whatever you want to call it. Yeah. Um, but it
37 escalated – he, he just increased my pay, as long as he could touch
38 me. I wouldn't let him put anything inside of me. And then one
39 day he just did, one day he just put his hand like his fingers. And
40 um,
41
42 DETECTIVE: How long would you say, from the very first time you went,
43
44 [REDACTED] Months. Honestly, I never kept track, like of, of what happened
45 when. I just can tell you in which order things progressed.
46

1 DETECTIVE: Okay.
2 [REDACTED]
3 But not specifically, [REDACTED], three months later he did this, three
4 months later like, I can't do that.
5
6 DETECTIVE: Okay. When he purchased the car, how far were you, um.
7
8 [REDACTED] How old was I?
9
10 DETECTIVE: Yeah.
11 [REDACTED]
12 That what you mean? He bought the car in, [sigh] I gotta recall, I
13 haven't thought about this in forever. Um. I can I can give you
14 like four, four months that it possibly was during, but I can't
15 specifically remember if it was before or after the New Year. Um,
16 November, December, January February, that just passed.
17
18 DETECTIVE: Of 2004?
19
20 [REDACTED] Wait a second.
21
22 DETECTIVE: So were you a senior in high school when you had the car?
23
24 [REDACTED] Yeah, it was recently.
25
26 DETECTIVE: Okay.
27
28 [REDACTED] It was, it was like, towards the middle and end of my school year.
29 But I remember that for the last like six or eight weeks of high
30 school, I didn't have a car cause I gave it back to him. Because he,
31 he asked me to have sex with him and like, like suck him and stuff
32 [giggles], and I was just like, no. Definitely not. I was like, I'll let
33 you touch me but I'm not gonna do that.
34
35 [REDACTED] FRIEND: This is 2005, right?
36
37 [REDACTED] Yeah, the car was a Dodge Neon 2005. He got it for me before the
38 New Year, because I remember I got it, it was an edition that was a
39 year before they were supposed to come out. So if I got it, I
40 obviously didn't get a 2006 cause that's this year. I got a 2005
41 Neon in 2004. Seven miles on it when I got it. That car was
42 awesome [giggles].
43
44 DETECTIVE: Okay. And that's the car that you used to drive to and from,
45
46 [REDACTED] To and from school, just out with my friends.

1
2 DETECTIVE: And to his house, when he
3
4 [REDACTED] // [REDACTED] his house all the time, yeah.
5
6 DETECTIVE: What color was it?
7
8 [REDACTED] Like a neon blue, like a really bright bright bright blue. It was
9 really pretty. Not that that makes a difference.
10
11 DETECTIVE: And you gave it back?
12
13 [REDACTED] Yes.
14
15 DETECTIVE: Was this after you graduated from high school, or
16
17 [REDACTED] No, I, I gave it back before I graduated. It got too, it got too sticky
18 for me. He wanted more than I was willing to give. I didn't
19 wanna, I didn't want to um suck his dick, I didn't want to have sex
20 with him. I never did that and I wanted to be able to walk away
21 from this saying that I, saying that I never did that. And I'm glad
22 that I did.
23
24 DETECTIVE: Okay.
25
26 [REDACTED] So I just gave it back I said, I don't need this, I don't need a car.
27
28 DETECTIVE: Okay.
29
30 [REDACTED] But I lied to him when I gave it back, I didn't want to burn my
31 [REDACTED] because he was a spectacular connection to have.
32 Spectacular. Even if I didn't – even when I didn't work for him,
33 until this day, he is so aw – he is so, I haven't talked to him in like
34 a couple months, but um, as far as he can, as far as he knows, he's,
35 well, I don't know how to, I'm sorry. [stutters] So many things
36 are going through my head right now and I'm just getting a little
37 tongue-tied. Um. If I called him today he would give me as much
38 money as I asked him for, he doesn't know that I hate him the way
39 I do. I kept that connection. I figured he used me, I'd be able to
40 use him. Um, I hate to say that but I figured if I wanted to use him
41 I could.
42
43 DETECTIVE: Okay. Let me bring you back a little bit.
44
45 [REDACTED] Sure.
46

1 DETECTIVE: Um. When did things start to escalate as far as things happening
2 when the massages were given?
3
4 [REDACTED] They escalated whenever he wanted, I, I don't, I don't clearly
5 understand the question.
6
7 DETECTIVE: Okay. The first time you went, you were naked, giving a massage
8
9 [REDACTED] //Are you asking for a date? Or you're asking for how
10
11 DETECTIVE: //No no no no, how [stutters] cause I know you don't have specific
12 dates
13
14 [REDACTED] //How far in the little steps that things progressed?
15
16 DETECTIVE: Right.
17
18 [REDACTED] Well, I went and I wouldn't take off my panties at first, and then he
19 got me to get naked, then he got me to let him rub me, then he got
20 me to let him stick his fingers in me, then he got me to let him go
21 down on me. Then, um... that was pretty much the, the breadth
22 [rest?] of it, except this one time where he bent me over the table
23 and put himself in me.
24
25 DETECTIVE: Okay.
26
27 [REDACTED] Without my permission.
28
29 DETECTIVE: Okay.
30
31 [REDACTED] And I flipped out.
32
33 DETECTIVE: All right. Let me
34
35 [REDACTED] //And I don't - I'm sorry to interrupt you but I don't count that as
36 me having sex with him, you know he did that, I, I don't, I, cause I
37 just told you I never had sex with him. I never did. It's, you
38 know, I don't know what you'd consider that. But, he then, I go
39 'What are you doing?' He goes '[REDACTED]', I just wanted Adrianna to see
40 this.' Or 'I just wanted um Nadia to see this.' I'm sorry, I got the
41 two confused. For Adrianna to see this, uh Nadia.
42
43 DETECTIVE: //Okay. Let me, let me back you up.
44
45 [REDACTED] Okay.
46

1 DETECTIVE: That is a crime.
2
3 [REDACTED] I don't want my family to find out about this. My family doesn't
4 know any of this, my mom thinks I was his secretary for two years.
5 Or, for however long, a year and a half. My mom thinks I made
6 phone calls for him and that's how I was making my great money.
7 That's it. I don't want her to know anything
8
9 DETECTIVE: //Well, you're an adult. You're an adult now.
10
11 [REDACTED] Well I mean, if I... whatever, I don't know. Just, I'm sorry, go
12 ahead.
13
14 DETECTIVE: Um, when we're, when we're done with this interview, we'll
15 discuss this further and we'll decide what's the the best course.
16
17 [REDACTED] Cause Jeffrey's gonna get me, you guys realize that right? He's
18 gonna find, he's gonna figure this out. And he's gonna, I'm not
19 safe now. You understand that, right? I'm not safe.
20
21 DETECTIVE: He, he is not this person that he's portraying himself to be. What
22
23 [REDACTED] //UI [well he covers it up for good?].
24
25 DETECTIVE 2: //Why, why do you say you're not safe? Has he said he's hurt
26 people before?
27
28 [REDACTED] Well I've heard him make threats to people on the telephone, yeah,
29 of course.
30
31 DETECTIVE 2: //UI, you're gonna die, you're gonna break your legs, or
32
33 [REDACTED] [giggles] All of the above. But that's not the point.
34
35 DETECTIVE 2: Who's he talking to?
36
37 [REDACTED] I'm not on the other end, I don't know. I, I don't know, I heard
38 those conversations, I mean I've been in the room when he's been
39 on the phone with like Bill Clinton, like, I've witnessed lots of
40 things. I just wanna know specifically what y'all wanna know.
41
42 DETECTIVE: Everything.
43
44 [REDACTED] I used to go there everyday, like I w - I don't, I don't know how
45 many other girls he was saying 'You're my favorite and I want you
46 to live with me' to, but I was in about as deep as you can get. So

1 DETECTIVE: Um, when you were completely naked, the same things happened,
2 you went in, you massaged him,
3
4 [REDACTED] Sometimes I didn't even deal with that. Sometimes he just asked
5 me to take off my clothes and like, he would have to do work, and
6 he'd be sitting at his desk or something and I'd just be naked there
7 watching television or reading a book but I'd be naked. Or, um,
8 sometimes he wanted to just watch TV or read and he'd lay in his
9 bed and he'd ask me to just take my clothes off and lay with him.
10 And that's it, not touch him or anything and I'd get paid three
11 hundred dollars for that for twenty minutes. Um, sometimes he'd
12 just invite me over for breakfast or dinner, or just to use the
13 swimming pool, and I'd get paid for that too.
14
15 DETECTIVE: Okay.
16
17 [REDACTED] [sigh] I'd get paid just to hang out with him. That's it. And if, if
18 the money wasn't there, I'd not been there, I wouldn't have ever
19 been in that house.
20
21 DETECTIVE: Okay. Um. When he started to touch you, um.
22
23 [REDACTED] I have a question.
24
25 DETECTIVE: Yeah.
26
27 [REDACTED] Before I say anything else. Um, is there a possibility that I'm
28 gonna have to go to court or anything? Like, that's a possibility,
29 right?
30
31 DETECTIVE: Well, here's the thing. When this is all said and done, we're gonna
32 sit down we're gonna discuss this. I mean, what he did to you is a
33 crime. I'm not going to lie to you. You are a victim.
34
35 [REDACTED] //Will you consider rape? Like, will you consider that to be rape,
36 what he did?
37
38 DETECTIVE: When he put himself inside you, without permission, forcibly
39
40 [REDACTED] //I didn't say yes or anything, he just, like I was standing up, and
41 the table is about like my hip length, he just pushed me down.
42
43 DETECTIVE: //That, that, that is a crime.
44
45 [REDACTED] Okay.
46

1
2 DETECTIVE: He had quite a few girls he would say that to.
3 [REDACTED]
4 [REDACTED] I know, I thought so pretty much, you know.
5
6 DETECTIVE: He had quite a few girls he would say that to. But,
7
8 DETECTIVE 2: When did you, when was the last time you saw him?
9
10 [REDACTED] Um before la – before the summer.
11
12 DETECTIVE 2: May or June? When you gave the car back, or sometime before
13 you graduated?
14 [REDACTED]
15 //Probably, mhm.
16
17 DETECTIVE 2: Wh, when did that incident
18
19 [REDACTED] //Or maybe a little after I graduated. I don't remember.
20
21 DETECTIVE 2: When did that incident happen when he bent you over the table?
22
23 [REDACTED] I don't remember.
24
25 DETECTIVE 2: Was it recent or was it like a year ago?
26
27 [REDACTED] It was probably in like, somewhere in the middle or, of the time
28 that I worked there. It was definitely before December, if that's
29 what you're trying to get at.
30
31 DETECTIVE: Were you seventeen when you did that too?
32
33 [REDACTED] [REDACTED], yeah, I was definitely. Definitely.
34
35 DETECTIVE: Okay, we're gonna get to that in just a minute. Getting back to
36 when you were naked,
37 [REDACTED]
38 UI
39
40 DETECTIVE: And you were providing the massages.
41
42 [REDACTED] And they were – and they were legitimate massages, by the way – I
43 don't want to be in trouble for anything I didn't
44
45 DETECTIVE: //No no no, I'm telling you, you are not a suspect in this in any
46 way, shape or form.

1 [REDACTED]
2 [REDACTED] So, honestly, I don't trust cops, so, I just like, I have bad – I had a
3 bad experience, so I just want to be clear on that.
4
5 DETECTIVE: Okay, well I'm telling you right now that I didn't even bring
6 handcuffs with me up here.
7
8 [REDACTED] No, all right, I, [giggles] I don't know. And I mentioned it to
9 somebody that I didn't say anything, but I mentioned that I had to
10 go talk to police about something that was personal to my
11 boyfriend, and. He just would flip out if he knew I was talking
12 about this specific stuff with anybody. But um, [giggles] he was
13 just like 'Make sure that you're not going to get investigated.'
14
15 DETECTIVE: I can assure you you're not.
16
17 [REDACTED] //Nah. Okay.
18
19 DETECTIVE: Um. When the massages UI – first of all, do you have any formal
20 massage training?
21
22 [REDACTED] [giggles] Hell no.
23
24 DETECTIVE: Okay. All right, I was just just asking. Um, when you were
25 providing the massages and things started to escalate, um, when he
26 started to touch you, you said earlier. Was it with his hand or with
27 something else?
28
29 [REDACTED] With his hand. Um, I remember, he would like, he would kiss me
30 and stuff too. I remember that. Um, and when he kissed me, like
31 if he was jerking off, he would, he would like rub himself, like on
32 my breasts. I, I had no feeling, I, not, I don't [sighs]. I don't know
33 how to make it sound
34
35 DETECTIVE: //You were uncomfortable.
36
37 [REDACTED] Yeah, I was extremely uncomfortable and I would maneuver
38 myself away from that activity. Um, I'd like, just I'd get up and
39 I'd move somewhere else, or I'd, I'd, I don't even remember. I
40 would stop whatever was going on without saying 'Can you get the
41 fuck off me?' I would, I would stop it without saying stuff like
42 that.
43
44 DETECTIVE: Okay.
45
46 [REDACTED] Just with my actions.

1
2 DETECTIVE: So he would touch you with his hands, and did he touch you with
3 anything else?
4 [REDACTED]
5 I just told you, he touched me with his penis, like,
6
7 DETECTIVE: //I know, I mean, was there any toys, or
8
9 DETECTIVE 2: //UI
10
11 [REDACTED] [REDACTED], yeah. Yeah.
12
13 DETECTIVE: Okay. Can you describe?
14
15 [REDACTED] [sighs] He used to have a back massage thing that it was like a ball
16 on the end and it vibrated, and he would use that. And then, for his
17 birthday, Nadia and I went shopping. And um, we got a bunch of
18 toys, [laughs] which – I don't know how to tell you guys all this
19 stuff without you thinking that I enjoyed this. Like, cause I had a
20 choice whether or not to go shopping with her. I made this
21 decision. I'm the one who did this stuff. But it doesn't mean that I
22 felt right about it. Um, but yeah. We, he used lots of toys on me,
23 like I don't know what specifically y'all want to know, like. He
24
25 DETECTIVE: //Okay
26
27 [REDACTED] He, all the time. [sigh] Everything. Like, whatever
28
29 DETECTIVE: //Vibrators?
30
31 [REDACTED] Whatever was there. If he wanted to use something else, he would
32 use whatever was there. Like,
33
34 DETECTIVE: Okay. What kind of vi – UI what color vibrators did he use?
35
36 [REDACTED] Like [REDACTED], and like – maybe it was like this color, but like blue,
37 like you see the gray, like the grayish, on the pipe.
38
39 DETECTIVE: Right.
40
41 [REDACTED] The pipe. Like grey, with like a little bit more blue, like that.
42
43 DETECTIVE: Okay.
44
45 [REDACTED] And it had a [REDACTED], like end, it had like a [REDACTED] handle and it had a
46 ball on the end of it for giving back massages. Um and then, there

1 was, Nadia had a red one, and that didn't vibrate. Then, strap-ons
2 and stuff were also involved. [sigh] Everything.
3
4 DETECTIVE: //Okay.
5
6 [REDACTED] Like, any toy you can think of he used on me.
7
8 DETECTIVE: Okay.
9
10 [REDACTED] And, I'm not, definitely not by my choice, it was like, [REDACTED] it's there
11 and it's happening now. I think.
12
13 DETECTIVE: Okay. Did you ever stop him, say hey listen, I'm not, I'm not good
14 with that?
15
16 [REDACTED] Yeah, yeah, definitely. Before I let him um, like before things
17 progressed where I would let him touch me, I would not let him do
18 anything to me, even with stuff that wasn't attached to his body. I
19 said no for a very long time until he upped it by like a hundred or
20 two hundred dollars, you know?
21
22 DETECTIVE: Okay.
23
24 [REDACTED] [sighs]
25
26 DETECTIVE: When you're saying strap-on, did he use the strap-on?
27
28 [REDACTED] No, but he probably would need to. Um, sorry, I'm just trying to
29 make myself feel a little bit better. Um, well I don't know if you
30 would count like him, he never actually put it on, but it was him
31 me and Nadia in the bedroom, and we were all in bed together, and
32 I was messing around with her, you know, and he was watching,
33 and
34
35 DETECTIVE: At his request?
36
37 [REDACTED] Every time except one time was at his request. The time that it
38 was not his request was on his birthday. And instead of getting
39 paid three hundred dollars, I got paid like five, six hundred dollars.
40 Um, it was a gift, I guess you could call it a gift from me and
41 Nadia. Um, we went shopping at this like sex place on
42 Okeechobee [ph], and um we bought a bunch of stuff and then we
43 just went at it in front of him. And, I don't know. It's not like I
44 was enjoying it either, like in my mind I'm like ' [REDACTED] god, when this
45 is over, you're getting so much money.' Like that's what I would
46 think of, I'd just close my eyes and think of something else.

1
2 DETECTIVE: Okay. Let's get to the point where he's actually inserting his, his
3 fingers inside you. Um, at what point, from when he started just
4 touching you to the point where he actually put his fingers inside
5 of you?
6 [REDACTED]
7 He did that once in the beginning, and at the time I was, um, dating
8 somebody, and that person was aware of what I did. Um, and was
9 like - this person, by the way, who said this stuff that I'm about to
10 tell you is like now a crack-head, like on drugs, so they're way
11 wack, they're like crazy. And he was actually my boyfriend, he
12 goes '[REDACTED] I have no problem with it, as long as he's not putting
13 anything inside of you.'
14
15 [First tape ends.]
16
17 [Second tape begins.]
18
19 [REDACTED]
20 I wouldn't let him put anything in me until one day he did just out
21 of nowhere. And I said wait a second my boyfriend, you know, we
22 had this thing, you can't do that. You know, I'm, I'm allowed to
23 work here as long as you don't do that. And he said ok. Well, a
24 couple months later I guess he assumed me and my boyfriend had
25 broken up, and he just did it one day, he just did it without asking
26 or anything. And then I said what are you doing I said you know
27 that's not cool and he goes '[REDACTED] I thought we did that last time.'
28 And I said no we did not do that last time. And, then he goes, uh
29 and then he just offered me more money. He's like, 'Well why
30 don't I just give you something extra and we can try this out.' And
31 I was like [sigh] all right. Very hard guy to say no to. I don't
32 know if any of you guys ever talked to him.
33
34 DETECTIVE: Persistent.
35
36 [REDACTED] Yeah.
37
38 DETECTIVE: I haven't spoke with him but he is persistent from what I can tell.
39
40 [REDACTED] // [REDACTED], yeah. Well if you talk to him I mean he straight up tries to
41 control the situation. Every, every word that comes out of your
42 mouth it seems like he knows what you are going to say. Like,
43 that's his job, that's how he made his money is knowing what
44 people are gonna say and what people are gonna do.
45
46 DETECTIVE: What did he tell you he does for a living?

1
2
3
4
5
6
7
8
9
10
11
12
13
14
15
16
17
18
19 DETECTIVE: Right.
20
21
22
23
24 DETECTIVE: Okay.
25
26
27
28
29
30
31
32
33
34
35
36
37 DETECTIVE: Aside from having been with Na, uh, Nada or Nadia um was there
38 anybody else that you brought to the house?
39
40
41
42
43
44 DETECTIVE: //Well, it was a circle and
45

Well, there's a couple things, things that I found by myself, things that I've looked up on the internet. Um, what he specifically told me when I asked him the first time was 'I'm a brain scientist' and I said what the fuck is a brain scientist? I was like that's not a real job you're like tell me the truth but anyway I took that as he, he told me his explanation was 'It's my job to know how people's brains work' and I said, whatever the fuck that means, whatever, you know you're just some old guy, and I went home. And then I looked up on the internet, um, about him and he was apparently an invest an he works for a financial firm and he would invest other people's money, like people sign their fortunes over to him he invests it and he gets commissions off of the money that they make. Umm and then he just takes, I know that he himself besides investing other people's fortunes you know he's invested all his money he owns tons of companies, umm sponsors sports teams, does stuff like that he makes his money everywhere.

And especially, he does a lot of modeling stuff with modeling agencies, and I know that he is involved in stuff like that also.

[giggle] You know what he promised me? I think the reason I held on so long is he promised me that I would get into NYU. That I would get into NYU and he would pay for it. And I waited and I waited and I scored great on my SATs, I got 4.0, like I did great in school. I filled out my application and he told me that it wasn't good enough. And, so I filled it out again and it was like three times so I'm pretty sure he wasn't checking into it he was just telling me that he was. But I think that has a lot to do with the reason I stayed there so long. Cause my dream was like right in front of me, you know. It was so close.

I brought a few people. Um, I brought , She approached me actually cause it, it got out that I did this, like everyone at school knew. You know, everyone talks all

1 [REDACTED] It was a little circle and then yeah one girl told [REDACTED] I got Alex to do
2 this and then you know. He, not that I would want anybody to get
3 involved in this but I brought girls I didn't like and really frankly
4 did not give a shit about. Girls that I knew were skanks that would
5 do anything. Who, like, girls that would just like suck dick in the
6 bathroom at school. Like not even people that I was friends with
7 I'd just hear a rumor about a girl and be like hey I know a way you
8 can make two hundred dollars. But I would tell them before they
9 went I would tell them flat out like this is what you gotta do, are
10 you cool with this cause I am not going to take you if you're not.
11 And I told them, they all knew that I got paid to bring them. And
12 I, it was [REDACTED], Mandy Biorklin. Mandy never did anything
13 though, she took off her shirt – she was a little overweight so he
14 didn't want anything to do with [laughs], she was my best friend so
15 I you know she was another story, I did care about her but um she
16 lost her house and stuff and really needed money. She had, she
17 was homeless she had nowhere to go. So she did it out of
18 desperation. But um I, the only people I can think of was [REDACTED]
19 and Mandy. I might have asked other people but I don't think I
20 ever actually brought other people.

21
22 DETECTIVE: Okay. Did anything ever happen between you and the two girls
23 that you brought there?

24 [REDACTED]
25 Mandy, she was really nervous so she wanted me to go in with her.
26 And I stayed with her, um, I took all my clothes off and I did my
27 regular thing, and she just took her shirt off. And then he said
28 'Okay well [REDACTED] is gonna finish up here, do you want to go wait by
29 the pool' and she went downstairs and went swimming and I was
30 still naked.

31
32 DETECTIVE: Okay.

33 [REDACTED]
34 And that was that.

35
36 DETECTIVE: Okay.

37 [REDACTED]
38 She got paid I think three, two or three hundred dollars for that,
39 probably two because it was her first time. The way it went was if
40 you worked there for the first like three times, you got paid two
41 hundred dollars. After that, if you were persistent and worked all
42 the time it was the on average three hundred dollars. Sometimes I
43 got paid a thousand. Just for the same thing. No varying in
44 activities, just sometimes I'd walk out of there with a thousand
45 dollars or I mean I got lots of gifts, like I got lots of stuff from this
46 guy. I don't know.

1
2 DETECTIVE: Okay, what about [REDACTED]
3
4 [REDACTED] [REDACTED] she just went up in the room and did her thing and she
5 continued to work for him afterwards. I don't know, I don't think
6 she still does, um, she may, may not. I don't know.
7
8 DETECTIVE: Okay. Okay. Um, you went quite a few times with the Neon.
9 And, you actually had an encounter with one of his doormen, when
10 you were coming to get an envelope.
11
12 [REDACTED] //That was in my Riata, actually, I drove a little Riata. Um, I was
13 coming to get an envelope with two thousand dollars in it, my
14 Christmas bonus. Umm, [REDACTED] my god it and the cop actually was
15 like how do you know Jeffrey and I was like uhh I I'm friends with
16 his girlfriend I use his pool every once in a while, or something,
17 but that was crazy. Yeah he the housekeeper just was expecting
18 me, but he didn't know, he was gone when I arrived and he came
19 home and saw that there was a car and he didn't realize that it was
20 my car. But he was expecting me um so he called the police and I
21 was like what the fuck man I'm just coming here to pick up
22 money. [giggles] But that was that.
23
24 DETECTIVE: Okay. Let's get to the part where, um, things escalated. Um, I
25 have to see something.
26
27 [REDACTED] UI
28
29 DETECTIVE: Yeah, let me go ahead and stop this tape and start another one
30 because it's almost at the end.
31
32 [REDACTED] [to friend] You don't have anything important to go do, do you?
33 Okay.
34
35 DETECTIVE: Okay, at this point I'm gonna go ahead and stop the tape. The time
36 by my watch is approximately 5:02 p.m. [pause] Uh, 5:02, 5:03
37 p.m. Um, we're just about to get started with the, as it escalated.
38 Um, tell me how it, how it happened.
39
40 [REDACTED] He would just try things on occasion and if I let him do it then he
41 would at the end put in more money without even like, it was kind
42 of an unspoken thing, if it happened and I let it happen I'd get paid
43 more. If it didn't happen then obviously it was the same. But um,
44 on a few occasions I told you, that I did say no. Um, and I let it be
45 UI and I'd say stop on my word, and he still gave me extra money
46 on that one. But then the couple of times that I said no he talked

1 me into it and then gave me more money. He always paid me
2 more money, even if I never, even if I didn't do what he asked me
3 to do extra.
4
5 DETECTIVE: Okay. So walk me through this, and and I know this is gonna be
6 hard for you. Uh, walk me through this here. You're giving him a
7 massage, you're naked. Right?
8
9 [REDACTED] Uh huh.
10
11 DETECTIVE: Take it from there.
12
13 [REDACTED] He'd ask me to like, most of the time, I'd rub his lower back UI
14
15 [Cell phone interference; voices inaudible for about forty seconds.]
16
17 [REDACTED] ...like, he didn't have to say any instructions. When I first started
18 going, I, he'd ask me to get naked, he'd ask what he could do, I
19 mean, um, and that was like that. Towards the end, like, I just got
20 naked and,
21
22 DETECTIVE: Would he, would he perform oral, oral sex on you?
23
24 [REDACTED] //Sometimes, sometimes.
25
26 DETECTIVE: Okay. Did you ever perform anything on him?
27
28 [REDACTED] I've never touched him inten - intentionally. I've never laid a
29 hand on him, not a body part, nothing, not a hair on my head. I
30 never touched him.
31
32 DETECTIVE: Okay. When he did oral on you, were you still sixteen? Was this
33 towards the beginning?
34
35 [REDACTED] Yeah, it wasn't like, at the, at the end, like all this stuff was in the
36 beginning. Like, once we broke the barriers of me like letting him
37 do stuff, all the major stuff took, took place in the beginning. Um,
38 I never, that was only like four, five times and none of it was since
39 my birthday, since this last birthday none of it was after that.
40
41 DETECTIVE: Okay. Did he ever hurt you?
42
43 [REDACTED] Sometimes he got violent, yeah.
44
45 DETECTIVE: Violent as in what? As in?
46

1 [REDACTED] He pulled my hair a lot harder than it should have been pulled, like
2 [REDACTED] he, okay I can understand having sex, and you're all like, not, not
3 that we were having sex but I mean like if you're all into it and you
4 pull hair a little bit, like my ponytails just like a little bit, whatever.
5 But he would pull it to where it would rip my hair out. It would rip
6 my hair, and then sometimes he would pick me up and like throw
7 me whichever way he wanted me, and then he would just like use a
8 toy or like his hand or whatever. Never his penis though, ever, I
9 never had sex with him. But um
10
11 DETECTIVE: But you're a little girl, I mean, so,
12
13 [REDACTED] I'm little, so he could pick me up, like, if you pick me up and
14 throw me, obviously it's gonna hurt. If I get hurt, um
15
16 DETECTIVE: Did you ever tell him that hurts you?
17
18 [REDACTED] No.
19
20 DETECTIVE: No?
21
22 [REDACTED] No. I wasn't
23
24 DETECTIVE: //When he was doing these things for you, kissing, touching,
25 inserting his fingers, oral, did he ever hurt you down there? In
26 your vagina area?
27
28 [REDACTED] Um, I don't know, I'm sure he was a little rough on occasions, but
29 none specifically, nothing that really stands out. I mean, there's
30 been nights that I walked out of there barely being able to walk,
31 um, from him being so rough but nothing really, nothing specific
32 that he really got violent with. Like, I can't really recall.
33
34 DETECTIVE: //Nothing that you'd have had to
35
36 [REDACTED] Nothing that I would be like [REDACTED] my god, this one time he did this,
37 like nothing like that.
38
39 DETECTIVE: Okay. Nothing that you'd have had to go to the doctor for, the
40 day, you know.
41
42 [REDACTED] Nothing that I went to the doctor for, no. I mean, I remember
43 getting tore up a few times but it was nothing that
44
45 DETECTIVE: By tore up you mean?
46

1 [REDACTED] Hurt, like I, he would get really rough and I'd get cut
2
3 DETECTIVE: //Making it sore
4 [REDACTED]
5 Like I'd get cut, like ripped a little bit, if that's what you're talking
6 about.
7
8 DETECTIVE: Okay. You don't have to answer this,
9 [REDACTED]
10 //Okay
11
12 DETECTIVE: This is getting real personal, but were you active before him?
13 [REDACTED]
14 What, like, had I had sex? Yeah [laughs].
15
16 DETECTIVE: Okay.
17 [REDACTED]
18 Um. But honest – I mean I'm not, I'm not a ho, I've had only
19 three steady boyfriends and those are the only three that I've ever
20 done anything with. And they were all with me for over a year.
21 So it's not like I just go and hook up at parties.
22
23 DETECTIVE: Okay.
24 [REDACTED]
25 //This was the most crazy, promiscuous, whatever you want to call
26 it thing that I have ever done. And it was money. Money. It was,
27 it was the money and the gifts and that's it.
28
29 DETECTIVE: What was the most you ever made from him?
30 [REDACTED]
31 Like,
32
33 DETECTIVE: Monetary wise. You mentioned you walked out with a, with a G,
34 or a thousand dollars one time.
35 [REDACTED]
36 I walked out with like, yeah a thousand dollars one time but then
37 again I walked out with a car one time. Are you talking things of
38 like, that, like are you talking about
39
40 DETECTIVE: //Okay, what was
41 [REDACTED]
42 Gift-wise or specifically cash?
43
44 DETECTIVE: //Both, let's do both
45

1 [REDACTED] Like, I've gotten thousands of dollars worth of shit. Man, the
2 underwear I'm wearing right now, he gave me, like I'd, I'd go over
3 there and there'd be a bag of Victoria's Secret underwear like
4 waiting for me like, talking like fifteen hundred dollars worth of
5 stuff. I got a plane ticket from him once, I got a car, I got
6 Christmas bonuses, I got movie tickets, like he'd buy me movie
7 tickets, like he'd say 'Hey, have you gone to the movies lately?'
8 I'd be like I dunno, no, not really, he goes 'Do you want to go?'
9 He'd give me like eight movie tickets. I got show tickets, I went
10 and saw like David Copperfield I had like VIP like tickets or
11 something like that. Um.
12
13 DETECTIVE 2: The car, was that under your name or was it under his name?
14
15 [REDACTED] No, it was under his, like I didn't really care though, he'd let me
16 drive it around as much as I wanted. You know, I, I just got the
17 keys to it. And everything else was his business. He said if I ever
18 got pulled over, just to say that it was his car and whatever, that's
19 it.
20
21 DETECTIVE: Okay. Let's talk about the, um, the time that he forced himself on
22 you. Um, take me through that one.
23
24 [REDACTED] We were really, I think it, it was the - Nadia was in the room. And
25 um.
26
27 DETECTIVE: Was she naked?
28
29 [REDACTED] I don't know, probably. Like it was, I don't remember if UI. I
30 don't remember at the time, whether or not she was - it was
31 towards the end of my session or whatever you want to call it, so
32 she was probably either getting dressed or was still naked, I don't
33 really know. She was, I think she was still naked though. Um
34
35 DETECTIVE: Was it normal for her by this time to be upstairs with you?
36
37 [REDACTED] If I went there, if I saw her up there I would not be surprised. I
38 wouldn't get surprised when I saw her in the room. Um,
39 sometimes she would just, like, she liked me. Like, she would
40 hang out with me and we, like I would go to the house and we'd
41 eat breakfast together. Or like hang out by the pool or something,
42 it's not like I just went there and did my thing with her in front of
43 him. I don't know. But um. Sorry, go ahead.
44
45 DETECTIVE: Okay. So, you went upstairs and Nada was getting dressed.
46

1 [REDACTED] [REDACTED] yeah.
2
3 DETECTIVE: //You were there?
4
5 [REDACTED] Nadia was – no, we, I was, this was at the end of like what, okay it
6 was me him and Nadia and I'm pretty sure that me and Nadia, like
7 she was like sucking his dick and like fucking him and stuff. But
8 like, that was all I was like maybe kissing her, you know touching
9 her some which way or the other. And um, towards the end of this
10 I remember that I had already finished, cause I remember it being
11 really uncomfortable. So I remember specifically that I had
12 already finished. She, it was me, him
13
14 DETECTIVE: //What do you mean by you finished with?
15
16 [REDACTED] He gave me an orgasm. With his hand.
17
18 DETECTIVE: //Right. Okay.
19
20 [REDACTED] Um, UI I need to show you, like what I'm talking about, like the
21 positioning that we were. It was like, okay, here's the thing,
22 there's the like little flower thing, then here's the massage table. I
23 was right here, he was right here, she was here. Um. And, I was
24 standing up, and he just pushed me over the table, and he did his
25 thing with me.
26
27 DETECTIVE: Okay. Were you facing the table? Were you?
28
29 [REDACTED] I was, I was face down on the table. Like face down, hands like on
30 my head, holding, I don't, I don't I mean I wasn't fighting really.
31 So I don't know if he was holding me down to kinda stop me from
32 fighting, or what he was doing. He's just a really weird, he's into
33 really weird stuff. Like, I was just bent over and my face was on
34 the table I was face down on the table. And then he did his thing.
35 So. But anyway, Nadia was right here and I'm pretty sure she was
36 naked and the [REDACTED] is like right behind, but um that's how it
37 happened.
38
39 DETECTIVE: How long was he, how long did that take?
40
41 [REDACTED] He was only in me for like a minute or two, I don't even know if
42 you could say that long. He put it in, did a couple of pumps or
43 whatever the fuck you wanna call it, and I was like 'What are you
44 doing?' [giggles] I go 'What are you doing?' He's like, '[REDACTED]', I just
45 wanted Nadia to see this.' Then that was that.
46

1 DETECTIVE: Did he ejaculate inside?
2
3 [REDACTED] No. Not in me, not on me. I don't remember any time. I don't
4 remember specifically that time, um whether or not he finished
5 from having sex with me or whatever you wanna call it.
6
7 DETECTIVE: Okay. How much did you call – that was in the middle of the two
8 year thing?
9
10 [REDACTED] Not so much towards the end, but definitely once I was
11 comfortable with working there once I like would go there a lot,
12 yeah. That was, it had to be towards the middle cause towards the
13 end I only worked very sporadically throughout like maybe once or
14 twice a month, not even. Um, in the middle I was working the
15 most, I'd work every day that he was in the country. Every single
16 day.
17
18 DETECTIVE: Okay. From that moment on, that's when the car came in? After
19 that the car came?
20
21 [REDACTED] I told him that my parents kicked me out, um, well, [REDACTED]. Okay, this
22 is how it went. Like I'm sorry, I'm remembering more and more
23 as I talk to you. I worked for him and then I, I think after like
24 things started getting like too like in like once he started going
25 further and further, um I stopped working for him for a little while.
26 Like, Sarah left a message on my cell phone. My mom took my
27 cell phone away and she checked my messages and Sarah goes
28 '[REDACTED], Jeffrey wants to know if you can come by and bring a friend.'
29 And my mom goes 'What the fuck are you doing? Like, are you a
30 prostitute?' And I was like, 'No mom, I'm just a secretary, and
31 you know what, he has a girlfriend, Nadia um doesn't have any
32 friends,' I'm like 'she wanted me to bring over people to hang out,
33 you know.' And my mom was like, okay, I don't know. She was
34 in denial, obviously, she, I think she knows that deep down in her
35 heart. But um, after my mom heard that message she made me
36 phone him, she made me call Sarah, um, and tell her right in front
37 of my– my mom made me tell Sarah right in front of her that I
38 couldn't work there anymore, that I couldn't go there anymore.
39 And then a few months went by at, no like, well I guess you could
40 say like a month or two, I don't want to say a couple, like a few
41 months cause it wasn't that long. But it was like a month or two,
42 and then I called him and um, I told him that I, my parents kicked
43 me out and so they weren't, they weren't gonna interfere with
44 anything and then I continued to work. Towards the end, I stopped
45 working for about probably six weeks, um, cause my boyfriend
46 Will, the kid that I'm still with now. Um, he, it like tore him up to

1 know that I did this with somebody. Cause he, he cares a lot about
2 me and stuff, and I stopped working but then I lied to, I lied to Will
3 a couple times and I worked, but then Will found out. And that's
4 when, like he, he broke up with me, and then that once he broke up
5 with me that was what I needed to really snap me into reality and
6 quit. But there was like a few, like a, like I'd say a three month,
7 like three and a half months like during that time,
8
9 DETECTIVE: This year?
10
11 [REDACTED] Well this year was only like, maybe six weeks that I didn't work,
12 but since the New Year, since the beginning of this New Year,
13 from January 1st to like April, in between then was probably six
14 weeks where I didn't work. Um, and then I don't remember when
15 my other hiatus was, like I don't really remember but that was
16 towards like the beginning.
17
18 DETECTIVE: What, what did you do with all the money that you made?
19
20 [REDACTED] Do I have to tell you? Cause I don't think it's any of your business
21 [laughs].
22
23 DETECTIVE: Okay, you don't have to.
24
25 [REDACTED] I'm sorry. I'm not like involved in drugs or anything like that, but,
26 I really just don't wanna tell you.
27
28 DETECTIVE: That's fine.
29
30 [REDACTED] Cause I don't have anything to show for any of it. I spent it all. I
31 spent it all.
32
33 DETECTIVE 2: Okay, okay. I get paid, I spend my money too.
34
35 [REDACTED] //[laughs]
36
37 DETECTIVE 2: So I mean it happens, right?
38
39 [REDACTED] Yeah. As a matter of fact, I just told you on, on the New Year I
40 was in New York on his dime. So, yeah.
41
42 DETECTIVE: Were you there on his plane?
43
44 [REDACTED] No, not on his plane. He was using his plane, I think he had to do
45 something. He has, owns an island in the Caribbean, you guys all
46 know that, I'm sure. But um, I think he was flying to his island

1 and he had some work to do. He was going to originally, um, fly
2 me in his jet, but something happened with work and it just worked
3 out better, so he paid for my ticket and then, because he was, he
4 was supposed to be in New York when I went there, I was
5 supposed to stay at his home but like I said he had to use his plane
6 to go somewhere else unexpectedly. So I stayed with um, my
7 boyfriend's family while I was up there. But while I was up there
8 he bought me like, four hundred dollar front row seats to Phantom
9 of the Opera. Like he, he set it up real nice. He gave me spending
10 money, paid for my plane ticket, he paid for everything.
11 Everything.

12
13 DETECTIVE: Okay. Have you ever been on his plane?

14 [REDACTED]
15 No, I've seen it though, I've been to the airport and I've seen it. It
16 has a JE, Julia Echo – um sorry, that's like, I just remember that's
17 what he told me it meant. It's a black plane, there's a black one
18 and then there's like, I forget what the other one was like. I saw
19 that one, the other one from afar. He has a black plane and then
20 another plane.

21
22 DETECTIVE: Okay. Has he tried to contact you recently, or

23 [REDACTED]
24 Yeah, I could call him today and be like I need – like

25
26 DETECTIVE: //No, but I'm talking about recently like within the past couple of
27 weeks. Like from the beginning of –

28 [REDACTED]
29 //Yeah, yeah. Definitely. Um, but only, only through email and
30 my responses have been – I haven't responded, um, recently since
31 I was contacted before but um the last two contacts I had with him
32 was before I moved here, um, which I moved here on August 1st.
33 Sometime before I moved here I told him or I wrote in an email
34 that somebody mysteriously – do you need to stop?

35
36 DETECTIVE: No.

37 [REDACTED]
38 I told him that somebody mysteriously called my house and told
39 my parents, excuse me and told my parents um, what I did with
40 him, and I just was like, I made it seem like somebody called and
41 ratted me out to my mom and dad. And I was like I can't, you
42 know, work for you as of right now, um, blah blah blah. But at
43 that point, I mean, I don't, I didn't want to work for him, I just
44 didn't want to burn my bridge, if you catch my drift. Um, so I just
45 told him that I got ratted out, and then he answered, or actually it's

1 his assistant answered, but it's really, it's him, if you're talking to
2 say, to his assistant
3
4 DETECTIVE: //Sarah, you're talking about Sarah.
5
6 [REDACTED] //you're talking to him. Yeah, I'm talking about Sarah specifically.
7
8 DETECTIVE: Sarah and Nada are not the same people.
9
10 [REDACTED] No, Nadia is um some other chick, she's like his girlfriend or
11 whatever you want to call it, and then [REDACTED] is one of his
12 girlfriends also, I, I know her and then Sarah. And Sarah she's like
13 his main assistant, like his official assistant who really does his
14 assistant work.
15
16 DETECTIVE: Who travels with him.
17
18 [REDACTED] Who travels with him and stuff like that. He has other girls that he
19 calls assistants but they just screw him. That's it. Um. I don't
20 know. I'm, I'm sorry, I like go off on a tangent and I completely
21 forget what the original thing was.
22
23 DETECTIVE: Um. We were talking about if you ever flew in the plane, or have
24 you recently talked to
25
26 DETECTIVE 2: //UI
27
28 [REDACTED] [REDACTED], I'm sorry I was talking about the emails, I hate when I do that,
29 I apologize.
30
31 DETECTIVE: No, that's all right.
32
33 [REDACTED] Um, uh, he answered me with 'That's really unfortunate, blah blah
34 blah, well if you need any help with school, any costs, tuition,
35 books, anything like that, just let me know.' Um, so I wrote back
36 and I just asked, um, I said [cell phone interference] and UI, you
37 know, from him wrote accounting negotiation and basic law, like I
38 remember that [laughs], he wrote those and um. He again
39 reminded me that if I wanted anything, any like if I needed any
40 financial help or anything like that, that he would set it up, he
41 would help me out. No problem. And I haven't, I haven't
42 contacted either of them since. And that was probably four or six
43 weeks ago, I don't really remember specifically, it was after I
44 moved here. But not after I talked to the other
45
46 DETECTIVE: //You haven't had any phone conversations with him,

1 [REDACTED]
2 [REDACTED] //Uh-uh [no]
3
4 DETECTIVE: I mean do you still have the same cell phone number, is that how
5
6 [REDACTED] I deleted all his numbers a long time ago.
7
8 DETECTIVE: No but I mean do you still have the same number?
9
10 [REDACTED] // [REDACTED], yeah. Yeah, I still have the same number. Like if she wanted
11 to call me, she could call me. Um. I forgot that um
12 still works for him. She's in really deep and like, I really like, I'm
13 not telling you guys what to do but if you could contact her, scare
14 the shit out of her to stop talking to him, or something, something.
15
16 DETECTIVE 2: Why is she in deep, what do you mean?
17
18 [REDACTED] She like, she has sex with him! Like that's not what, that's not
19 what it was supposed to be. It was supposed to be giving a
20 massage naked, not, not having sex with him that much, like that's
21 something else.
22
23 DETECTIVE: //How old was, how was she when she started?
24
25 [REDACTED] [REDACTED], after she was eighteen.
26
27 DETECTIVE: Okay, so she's
28
29 [REDACTED] //Yeah. She's, like a year older than me, and she started recently
30 within the past like, after the New Year, I don't remember.
31
32 DETECTIVE: Are there drugs ever involved?
33
34 [REDACTED] No, he's very, he's very um,
35
36 DETECTIVE: Healthy?
37
38 [REDACTED] Very healthy, very fit, he jogs every day on the beach, he does,
39 does yoga and all that stuff, he has a gym in his house, um. Never
40 has drank, he's never um taken a drink of alcohol, ever, not once in
41 his life. At least that's what he says, I don't really know. And he's
42 never tried any drugs, never smoked a cigarette, never nothing.
43
44 DETECTIVE 2: How about pornography, any in his house?
45
46 [REDACTED] What do you, what type of pornography?

1
2 DETECTIVE 2: Any type.
3
4 [REDACTED] Any type.
5
6 DETECTIVE 2: Specifically children, young women, teenage girls
7
8 [REDACTED] //I don't know if you can - [REDACTED], teenage, he's got lots of naked
9 pictures of teenage girls, like but real photographs that he took not
10
11 DETECTIVE 2: //Like [stutters] you said there was one of you, naked?
12
13 [REDACTED] //He has pictures of me, that was
14
15 DETECTIVE 2: //And you were sixteen.
16
17 [REDACTED] Yeah like, how else can I explain it, I was naked, I had no clothes
18 on.
19
20 DETECTIVE 2: And he would just say 'Let me take a picture of you?'
21
22 [REDACTED] He goes, I don't really, I don't even know what he said. I don't
23 want to say something because it might be wrong, but um. He just,
24 I guess asked me to take pictures and that's how it went. And I
25 said okay.
26
27 DETECTIVE 2: //Was it just like, just like a UI or were you doing stuff? Poses and
28 stuff?
29
30 [REDACTED] I was just like, it was me standing in front of a big [REDACTED] marble
31 bathtub in the, in his, in the, he has his own bathroom and then the
32 girls that sleep over he has a second bathroom for guests or
33 whatever the hell you wanna call them,
34
35 DETECTIVE 2: //Ah
36
37 [REDACTED] Um and it was in the guest bathroom in his [REDACTED] suite. And it, it
38 wasn't like I was you know spreading my legs or anything for the
39 camera, I was like, I was standing up. I think I was standing up
40 and I just like, it was me kind of like looking over my shoulder
41 kinda smiling, and that was that.
42
43 DETECTIVE 2: And now he has that up on his wall or something?
44
45 [REDACTED] No, he's got others. Excuse me. [yawning]
46

1 DETECTIVE 2: Uh huh.
2
3 DETECTIVE: Putting her to sleep now.
4
5 DETECTIVE 2: Sorry.
6
7 [REDACTED] //He has other - No, it looks like I'm putting Shayna asleep. Um,
8 he um, if you go in his bathroom, I mean I don't know like how -
9 he has naked photos of other teenage girls like around his house.
10 One thing that really bothered me though, he has a picture of his g-
11 d-daughter like, with no like panties on, and it always grossed me
12 out. Like it's a picture of her, like she's mooning him and I don't
13 know if you can, I wouldn't put a picture like that in my house,
14 honestly. Like that, that causes a little - it raises a few questions,
15 like it can, it's questionable if it can be considered pornography.
16 Child pornography. But I wouldn't put a picture of a little girl with
17 her skirt pulled up on my wall. Like no.
18
19 DETECTIVE: Do you know if he ever videotaped any of these, um
20
21 [REDACTED] No, not with me there. I was just thinking, I don't remember
22 anything with that. If he has a videotape of me, I'm, I'm, I don't
23 know, he might. He might have videotapes, he's got photographs.
24 He could ruin my life if he wanted to.
25
26 DETECTIVE: But not that you are aware of.
27
28 [REDACTED] Not that I'm aware of, no.
29
30 [Second tape ends.]
31
32 [Third tape begins. Begins by repeating final seconds of second tape.]
33
34 [REDACTED] ...grossed me out. Like it's a picture of her, like she's mooning
35 him and I don't know if you can, I wouldn't put a picture like that
36 in my house, honestly. Like that, that causes a little - it raises a
37 few questions, like it can, it's questionable if it can be considered
38 pornography. Child pornography. But I wouldn't put a picture of
39 a little girl with her skirt pulled up on my wall. Like no.
40
41 DETECTIVE: Do you know if he ever videotaped any of these, um
42
43 [REDACTED] No, not with me there. I was just thinking, I don't remember
44 anything with that. If he has a videotape of me, I'm, I'm, I don't
45 know, he might. He might have videotapes, he's got photographs.
46 He could ruin my life if he wanted to.

1
2 DETECTIVE: But not that you are aware of.
3
4 [REDACTED] Not that I'm aware of, no. No videotape.
5
6 DETECTIVE: [REDACTED] Is it [REDACTED]
7
8 [REDACTED] O-N
9
10 DETECTIVE: O-N
11
12 [REDACTED] You want her phone number?
13
14 DETECTIVE: If you have it.
15
16 [REDACTED] Yeah I gotta, I, I know it actually, [REDACTED] wait no I don't, I want to
17 make sure it's the right one. I really like I really care about her and
18 I didn't even take her to this I mentioned it and she goes [REDACTED] yeah I
19 already heard from it about it from somebody else. Like I was,
20 wasn't mentioning it like do you want to do it. I was mentioning it
21 like [REDACTED] I have to go, she was my friend she knew what I did, I was
22 like [REDACTED] I've got to go to Jeffrey's today, she knew what that meant,
23 and she goes [REDACTED] would you mind if I went there? And, I was like
24 whatever, how did, like why do you want to do it? She was like [REDACTED]
25 I was talking to somebody I figured I'd do it. Her number is 561-
26 [REDACTED] mean [REDACTED]
27
28 DETECTIVE 2: So if there's a picture of you in the house, it's of when you were
29 sixteen?
30
31 [REDACTED] Or seventeen.
32
33 DETECTIVE 2: //Or seventeen, but not eighteen, okay.
34
35 [REDACTED] //Or seventeen, definitely not, no not, there wasn't much activity
36 between us since I turned eighteen.
37
38 DETECTIVE 2: //Okay
39
40 [REDACTED] I mean I remember just about everything like I remember down to
41 the like the letter what happened since the New Year, like nothing
42 major, nothing like heavy happened.
43
44 DETECTIVE: And, what you mean by heavy you mean
45

1 [REDACTED] Well, I mean like he laid off with like going down on me and stuff
2 like that, like when I went there UI dinner [cell phone rings] Hey
3 dad, daddy I'm still at work, I gotta call you when I get home, ok,
4 all right, ok, bye bye. Um, okay where was I?
5
6 DETECTIVE: After the New Years
7
8 [REDACTED] // [REDACTED] yea, after the New Year,
9
10 DETECTIVE: //He wouldn't go down on you anymore
11
12 [REDACTED] //After the New Year, not that he wouldn't but like he just didn't,
13 like I didn't get like nothing significant happened with us. He
14 didn't UI it was just like it was back in the beginning, like really
15 mild.
16
17 DETECTIVE 2: Did he know you turned eighteen at that point?
18
19 [REDACTED] He was jumping for joy.
20
21 DETECTIVE 2: When you turned eighteen. So there was no doubt in your mind he
22 knew how old you were when you were originally UI
23
24 [REDACTED] //He bought my - [REDACTED] a hundred percent! My Christmas no not my
25 Christmas gift my birthday gift for being eighteen was a plane
26 ticket to New York City. Like I left at 4:30 in the morning on my
27 eighteenth birthday to go to New York to to be with him. And, I
28 mean he didn't tell me he, I didn't know. He had a chauffeur pick
29 me up from the airport um in a bullet proof black Mercedes, I
30 remember that specifically. I've got pictures of that too if y'all
31 want some pictures [giggles] but um, uh, whatchamacallit. Yeah I
32 didn't know that he wasn't going to be there until after the
33 chauffeur picked me up and said Jeffrey's on the phone for you
34 and he handed me a phone. And then I spoke to Jeffrey, Jeffrey's
35 like I'm not gonna be able to be there but I set all this stuff up for
36 you, you're going to have a great time. Like you know then I just
37 that was that, I got someone to stay with and um
38
39 DETECTIVE: //Was he ever into the S&M type of thing?
40
41 [REDACTED] I don't even know what that is. Are you talking about whips and
42 chains and stuff?
43
44 DETECTIVE: Right, the tying up, the
45

1 [REDACTED] I don't know what you'd call a strap-on like what you'd call that?
2 Um he never like
3
4 DETECTIVE 2: All these toys you're mentioning, did he, he penetrated you with
5 these?
6
7 [REDACTED] Nadia specifically with the strap-on
8
9 DETECTIVE 2: But these other toys
10
11 [REDACTED] He himself penetrated me with these items
12
13 DETECTIVE 2: And you, were, then again before you were eighteen?
14
15 [REDACTED] //I swear to that, yes.
16
17 DETECTIVE 2: And Nadia's done the same with the strap-on, she penetrated you?
18
19 [REDACTED] Yeah she's done that with other stuff too. She's gone down on me
20 like he's asked me to go down on her and when I say no he flashes
21 two hundred dollars in front of me – says do it for five minutes and
22 you get this and I said I'll do it for five minutes. It's [REDACTED]
23 what I did for money. [giggles] Ugh
24
25 DETECTIVE 2: But that was, you once again you were way before you were
26 eighteen, when Nadia was doing this to you
27
28 [REDACTED] Yeah, yeah
29
30 DETECTIVE: How many times would you say that that happened?
31
32 [REDACTED] With Nadia?
33
34 DETECTIVE: Nadia and him?
35
36 [REDACTED] Nadia and him? It could be like as little as like 5 times or as much
37 as like [interference] 8 or 9, I don't know. It's, it's UI [cell phone
38 ringing] hello, hey honey are you off of work? Um I'm talking to
39 some people right now. Um yeah so I I don't know. Do you know
40 do you think we're gonna be here for like another hour or
41 whatever? No what are we gonna be done pretty soon? Ok well
42 they, he says we're gonna be done pretty soon so um, would you
43 just wait at home for me cause I'm, I'm not having a great day. Ok
44 I love you. Bye
45
46 DETECTIVE: That's your boyfriend?

1
2 [REDACTED] Uh Huh
3
4 DETECTIVE 2: I thought you said he didn't know that you mentioned, you didn't
5 tell him that you were talking to us?
6
7 [REDACTED] I told, I didn't tell him that you guys were investigating um Jeffrey
8 and stuff. God no. I said I had to talk to some people about a few
9 things like and that was that.
10
11 DETECTIVE 2: //Okay okay, no problem.
12
13 DETECTIVE: Okay, well
14
15 DETECTIVE 2: You said you have photographs, what kind of, just of the New
16 York trip? Do you have any photographs from inside the house or
17 anything like that?
18
19 [REDACTED] Um, I'm trying to think, hold on
20
21 DETECTIVE 2: //Yeah, no problem
22
23 [REDACTED] Um
24
25 DETECTIVE 2: So those are different, Susan's different from Nada.
26
27 [REDACTED] Uhh I don't, I don't think I have any photographs. I mean I, I
28 think, I mean I might I could look at my house, um but I kinda
29 figured he didn't want me taking photographs in his house either.
30 So I really don't think I did that. I got, I mean I just got pictures of
31 like his car, and um like his chauffeur, and stuff, like that's it.
32
33 DETECTIVE 2: Besides Nada and Jeff was there anyone else that you
34
35 [REDACTED] //Were involved with
36
37 DETECTIVE: //Interacted with in the house? Adrianna?
38
39 [REDACTED] //Um, I mean I talked to Adrianna but that's about the extent of
40 that.
41
42 DETECTIVE 2: //Never, okay.
43
44 [REDACTED] //Yeah it was just Nadia.
45
46 DETECTIVE 2: You didn't have anyone else

1 [REDACTED]
2 [REDACTED] Mmmm, it was just Nadia and now who is Susan? She's her name
3 is Susan?
4
5 DETECTIVE: //No.
6
7 [REDACTED] // [REDACTED], I'm sorry.
8
9 DETECTIVE 2: //We're not sure we think it's the same person.
10
11 DETECTIVE: No, it's totally different.
12
13 DETECTIVE 2: Is it?
14
15 [REDACTED] What's Sus? I mean like if you tell me a last name I can probably
16 tell you who she is
17
18 DETECTIVE: Um all right. Come on [talking to self]
19
20 [REDACTED] I'm sorry [talking to friend]
21
22 [REDACTED] FRIEND: It's all right.
23
24 DETECTIVE: I'm gonna have to look for it for just one second here, just bear
25 with me.
26
27 [REDACTED] Okay.
28
29 DETECTIVE: Who would you say that is? [showing a photograph]
30
31 [REDACTED] That's Adrianna.
32
33 DETECTIVE: That's Adrianna right?
34
35 [REDACTED] Uh huh [giggle] Her name's Susan?
36
37 DETECTIVE: No, no
38
39 [REDACTED] All right
40
41 DETECTIVE: Nah, her name's Adrianna.
42
43 [REDACTED] Okay.
44
45 [REDACTED] FRIEND: Is that the girl that was sold?
46

1 : No I was under the impression that that was Nadia. She told me
2 that she came from Yugoslavia when she was like fifteen with
3 Jeffrey. So like I don't understand what the hell is going on
4
5 DETECTIVE: You know that girl? [showing picture]
6
7 [REDACTED] I don't, no. I don't know, she looks like every other girl.
8
9 DETECTIVE: Well, I don't have anything further do you?
10
11 DETECTIVE 2: Did you show her the picture of the one girl or no?
12
13 DETECTIVE: I did
14
15 DETECTIVE 2: But that's not the same person she's saying
16
17 DETECTIVE: No, that's not the same person.
18
19 DETECTIVE 2: And the last time you spoke to him on the phone, was what six
20 weeks ago? Or longer than that
21
22 [REDACTED] Probably even longer.
23
24 DETECTIVE 2: //Did they leave you any messages recently? No one ever
25 contacted you or anything?
26
27 [REDACTED] No, um I think I even deleted the emails, if my boyfriend found
28 those emails he'd shoot me, I'd get kicked out of the house. Like,
29 so I, I'm pretty sure they're gone, I deleted them.
30
31 DETECTIVE 2: You remember his uh screen name?
32
33 [REDACTED] Uh, its Sarah's it's JKELLENS@earthlink.net
34
35 DETECTIVE: J
36
37 [REDACTED] [REDACTED] wait, [REDACTED] is it, I don't know I think it's one of its one of these
38 two, JKellens, K-E-L-L-E-N-S @earthlink.net, I think Earthlink is.
39 Um but it the other one is just kellens@earthlink.net
40
41 DETECTIVE 2: And that's Sarah?
42
43 [REDACTED] Or his and whatever, yeah.
44
45 DETECTIVE 2: Who's [REDACTED]? Who's, what is that?
46

1 [REDACTED] //I don't know who [REDACTED] is, I have no idea, I didn't bother to ask,
2 it was none of my business.
3
4 FRIEND: Maybe that's her last name.
5
6 DETECTIVE: [REDACTED]. Well I don't have anything further, um would you like to add
7 anything else to the statement?
8
9 [REDACTED] No.
10
11 DETECTIVE 2: What do you want to see happening to Jeffrey?
12
13 [REDACTED] I don't think anything is going to happen to him.
14
15 DETECTIVE 2: No that's not what I asked you. What do you think should happen
16 to Jeffrey for what he did to you?
17
18 [REDACTED] He, I don't even care if he goes to jail, I just don't want this to
19 happen to anybody else. Whatever that means to you guys.
20
21 DETECTIVE: And that's what we're trying to stop here.
22
23 DETECTIVE 2: Yeah, that, it means a lot.
24
25 DETECTIVE: Okay, I'm gonna go ahead and conclude the statement. The time
26 by my watch is 5:40 p.m.

1 girlfriend. She was our immediate superior.

2 Q. Did he have girls come over to give
3 massages?

4 A. Yes.

5 Q. How many massages would he have in a day?

6 A. Sometimes one, sometimes two, three.

7 Q. Was it the same girl that would come back
8 to do the massages?

9 A. Yeah, yeah. Not the same girl -- I mean
10 during eleven years, I probably saw a hundred, two
11 hundred different massage therapists.

12 Q. Did they seem young to you?

13 A. No, sir. Mostly no. We saw one or two
14 young ones in the last year. Before that, it was all
15 adults.

16 Q. During your last year when you were working
17 with him, what do you mean that they looked young? Did
18 they look like they were still in high school?

19 A. I remember one girl was young. We never
20 asked how old she was. It was not in my job.

21 Q. Right. I understand.

22 A. But I imagine she was 16, 17. In my
23 judgment, she was 16, 17.

24 Q. Where would these massages take place?

25 A. All the time it was in his room. Sometimes

1 in the house -- and then there's another door going into
2 his room. So it was a long corridor. So everything was
3 closed and nobody saw anything.

4 Q. Would you clean up after?

5 A. Once in a while, yes, I did. Most of the
6 times I did. I did the cleanup.

7 Q. Did it appear as if there was going to be
8 more than one massage going on in the room?

9 A. More than one massage? I don't know. It
10 was massages. There was massages, because it was a hot
11 oil, and it was -- you know this vibrator, the neck
12 vibrators with the long handles. And towels, a lot of
13 towels. We used a lot of towels in the house. Used like
14 maybe 40, 50 towels a day, because every time he go in
15 into the pool, it was two or three towels. Everything
16 had to be cleaned up. I went most of the time to pick up
17 the room and get it ready.

18 Q. Did it ever appear to you that more went on
19 in the room other than a massage?

20 A. I just imagine. I never saw anything. But
21 I imagine there was more than -- I never saw anything
22 because it was closed doors. It was never done outside.

23 Q. Based on the cleanup?

24 A. Based on the cleanup -- at the end, I
25 cannot say there was. At the end, it was a few times

J. CONSOR & ASSOCIATES REPORTING & TRANSCRIPTION
561.835.9738

1 that the bed was undone. You know, we make the beds
2 three or four times a day. And sometimes we went to
3 clean up the massage to put it back, the massage table,
4 to pick up the towels, but the bed was undone again. So
5 either he took a nap or he went for a nap, I don't know.

6 Q. Or something else occurred?

7 A. Or something else. I cannot.

8 Q. Did the girls, would they bring their own
9 stuff or they would use his stuff?

10 A. No. We had everything. We had gallons of
11 stuff, different stuff.

12 Q. Different massage oils?

13 A. Different, all kinds.

14 Q. Different massagers?

15 A. Different stuff.

16 They would buy all over the world different
17 types of -- for different --

18 Q. Did any of these massagers look like sex
19 toys?

20 A. At the end, at the last year that we were
21 there they had like sex toys, some of them. I can say
22 maybe three or four occasions that I saw in the sink,
23 they were left out on the sink, and just --

24 Q. Where would he keep these massagers?

25 A. When I was there, we keep all the stuff in

1 boyfriend's house.

2 MP: Okay.

3 ████████████████████ And, when I was in that guy's room, there was a like, where the drawers of lotion

4 were, there's like a shelf of pictures and he had so many pictures of girls about

5 16, 17, around that age, 17 or 18. And they were like on the walls and most

6 of....all the girls were topless or just plain naked. And they were in positions or

7 they were just standing up.

8 MP: Okay.

9 ████████████████████ Looking at pictures.

10 MP: Okay. Well, I have to ask you. Do you know the difference between....and

11 you're a grown woman, so I'm asking you. You're pretty mature for your age.

12 Okay? Do you know the difference between right and wrong?

13 ████████████████████ Yes.

14 MP: Do you know the difference between the truth and a lie?

15 ████████████████████ yes.

16 MP: Can you tell me what a lie would be?

17 ████████████████████ Um, not saying the truth.

18 MP: Okay. So if I tell you you are wearing a blue sweater right now.....

19 ████████████████████ I could tell you you're lying.

20 MP: Why?

21 ████████████████████ Because I'm wearing a pink one.

22 MP: You got it. Is everything you've told me the truth?

23 ████████████████████ Yes.

1 MP: Michele Pagan

5 MP: Today's date is March 30, 2005. The time now, by my watch, is approximately
6 3:35. I'm present with [REDACTED] at [REDACTED] Family Center. And we're
7 placing a telephone call to

8 [REDACTED] Haley and the number is 333-0180.

9 MP: Okay.

10 (Dialing number)

11 UNK: Hello?

12 [REDACTED] Is Haley there?

13 UNK: No, she's at work. Who's this?

14 [REDACTED]

15 UNK: [REDACTED]

16 [REDACTED]

17 UNK: [REDACTED] no she's at work, honey. She's working a double today. She has her cell
18 phone if you want to call her on that.

19 [REDACTED] Yeah.

20 UNK: 308-0282.

21 [REDACTED] Thank you.

22 UNK: Your welcome, honey.

23 [REDACTED] Bye.

1 UNK: Bye.

2 (Dialing number)

3 HR: Hello?

4 [REDACTED] Hey. Haley.

5 HR: Yeah.

6 [REDACTED] This is [REDACTED]

7 HR: Hey.

8 [REDACTED] Yeah. You called me on Sunday but I was..(inaudible)

9 HR: Uh, yeah, um, I don't know...well, I'm at work right now, what are you doing?

10 [REDACTED] I'm at home.

11 HR: You live with your dad still?

12 [REDACTED] No.

13 HR: What happened, cause I heard so many rumors, about like Jeffery and how you

14 were going to press charges and get me arrested and everything?

15 [REDACTED] No.

16 HR: Yeah...

17 [REDACTED] That's totally not true. You know, like me and my dad got in a fight cause I got in

18 a fight with this girl at school because she was saying "you know that Sheena

19 girl?

20 HR: Yeah.

21 [REDACTED]...(inaudible) she was going around school saying that (inaudible) (Inaudible)

22 (inaudible) and I got into a fight with her because she told everybody in school all

23 this stuff. And I guess supposedly when I talked to Zack. Zack was like "[REDACTED]"

1 yeah, since you broke up with me and everything all this stuff (inaudible) and
2 then Sheena, I guess, told her friend and her and her friend told the school. So
3 my dad, and I got into a fight with that Sheena girl and my dad kicked me out.
4 Now I'm living with my mom. (Inaudible)

5 HR: You live with your mom now?

6 [REDACTED] Yeah.

7 HR: [REDACTED], so they don't even know about Jeffery then, do they?

8 [REDACTED] No. They just think I got into a fight at school and I got suspended.

9 HR: [REDACTED], yeah, cause supposedly your dad found out about Jeffrey and everything.

10 [REDACTED] No. He thinks the reason I got into a fight was because the girl pushed me.

11 (Inaudible)

12 HR: They don't know anything about Jeffrey then.

13 [REDACTED] No. No way. I'd get in trouble if (inaudible)

14 HR: I don't know.

15 [REDACTED] ..and then (inaudible) talk a lot of crap and everything.

16 HR: Yeah. Alright, well Jeffrey needs someone to work. I don't know if you want to
17 work or not.

18 [REDACTED] Yeah.

19 HR: I mean, he needs someone tomorrow.

20 [REDACTED] Okay.

21 HR: What time are you available?

22 [REDACTED] Four.

23 HR: Four? Alright, well I'm gonna call him and if I don't call you back tonight, I'll call

1 you...is this your cell phone?

2 [REDACTED] Yeah.

3 HR: Alright, I'll call you on this later tonight.

4 [REDACTED] Yeah. I have a question.

5 HR: Okay.

6 [REDACTED] I don't know if you want to, cause I remember last time how like, you said
7 something about bringing my sister or whatever?

8 HR: Yeah.

9 [REDACTED] I talked to her about and she's like, yeah so I don't know if you want her come or
10 if you get something extra or whatever, like, I can bring her this time.

11 HR: Okay. I'll let him know.

12 [REDACTED] Well like....okay.

13 HR: Alright?

14 [REDACTED] Well, what time are you going to call my phone? Cause I don't have it on all the
15 time, I have, I'll have it like around like 3 or 4...

16 HR: Tomorrow?

17 [REDACTED] Yeah.

18 HR: Alright. Well, I'll call you tomorrow then.

19 [REDACTED] Alright. Around 3 or 4?

20 HR: I'm sorry?

21 [REDACTED] You have to call between 3 and 4 cause I'm in school and I don't take the phone,
22 my phone.

23 HR: Yeah, that's fine. I'll call you between 3 and 4.

1 [REDACTED]: Alrighty.

2 HR: Alright.

3 [REDACTED]: Okay.

4 HR: Bye.

5 (Hung up phone)

6 MP: This concludes. The time now of the conversation, approximately 3:40pm.

Det. Recarey directed me to a second detached structure located on the South East corner of the property. This area of this structure was assigned with single letters to identify a particular part of the room. In the office area, designated as Room B, I observed a powered on Dell Dimension 2350, attached to an LCD flat panel monitor. The screen displayed an open Microsoft Internet Explorer browser with URL address of <http://home.bellsouth.net/>. I observed no other active windows in the Start panel window and photographed screen. The power cord was removed from the back of the Dell CPU and I disconnected the cable modem to prevent remote access. At that time, the Dell CPU, marked with Serial Number 6WTVN21, was secured and turned over the evidence custodian for future forensic analysis via property receipt. I also located several media related items within Room B, which were recorded onto a property receipt and turned over the Evidence Custodians.

I then responded to a Bedroom designated as Room F, where I observed a [REDACTED] in color CPU marked Premio. The Premio CPU was in a computer desk which held a [REDACTED] CRT monitor, both of which were powered on. The CRT monitor displayed a message from Norton Antivirus software, warning of an expired subscription. I observed no other active windows in the Start panel window and photographed screen. I removed the power cable from the back of the Premio CPU and shutdown all other media. The Premio CPU, marked with Serial Number 2000091078, was secured and turned over the evidence custodian for future forensic analysis via property receipt. I also located several media related items within Room F, which were recorded onto a property receipt and turned over the Evidence Custodians.

This concluded my participation in the search of the residence.

On December 20, 2005, I contacted ASA Daliah Weiss in an attempt to subpoena the Epstein former houseman, Alfredo Rodriguez. Rodriguez, who resides in Miami, had eluded the process servers previously and was not served the investigative subpoena. (A telephone message was left as she is not available during the week of 12/19/2005.) I made contact with State Attorney Inv Theresa Wyatt and requested the same via telephone message.

I then researched the victim's [REDACTED] cellular telephone subpoena data which had been received from a previous subpoena request. I analyzed the records which depict several calls from [REDACTED]. The telephone calls start on February 6, 2005 at 12:49 pm.; the same day which the victim and the victim's father stated the incident occurred at Epstein's house. The first incoming call was from [REDACTED] residence at 561 333-0180. The second incoming call from [REDACTED]

of call in seconds, inbound or outbound calls and calls made to or from [REDACTED] phone. On March 7, 2006, at 11:03 am, [REDACTED] made a call to the victim [REDACTED] which lasted 492 seconds (8 minutes and 2 seconds). The victim then returned the call at 11:16 am which lasted 6 seconds. The victim then made contact with [REDACTED] at 11:22 am for 877.2 seconds (14 minutes and 6 seconds). These sequences of calls were consistent with what the victim had described to me on the date of the intimidation. Immediately after speaking with the victim, [REDACTED] makes a call to [REDACTED], Epstein's assistant, which lasts for forty-eight seconds. A call is then immediately received, a telephone number registered to a Corporation affiliated with Jeffrey Epstein located at 457 Madison Ave in New York. An extensive computer check revealed 457 Madison Ave is a business address in which Epstein has his corporations assigned to. Epstein had corporation attorney, Darren Indyke, register the businesses and register himself as an agent. I also observed Epstein has his El Zorro Ranch Corporation, New York Strategy Group, Ghislaine Corporation, J Epstein and Company and the Financial Strategy Group registered to this same address. Finally, a third call is received by [REDACTED] at 12:02 pm from the same corporate number which lasts 12 minutes and 1 second. It should be noted that there is no further contact with either the victim during the month of March or April of 2006. I also noted that there was no further contact with [REDACTED] or Jeffrey Epstein during the remainder of the month of March or April 2006.

[On June 1, 2006, ASA Lana Belohlavek telephoned me to inform me of the meeting that occurred with Atty. Jack Goldberger and her reference this case. She advised she would make her determination on whether to file on this case or not by Monday June 5, 2006.]

On June 29, 2006, I had spoken to ASA Lana Belohlavic who informed me that the case would be sent to the Grand Jury for charges. She informed me that the grand jury would convene on July 19, 2006 to hear the Epstein case. Belohlavic stated State Attorney Barry Krisher made the determination to go the Grand Jury to hear the case.

On July 12, 2006, I spoke with [REDACTED] mother of the victim, [REDACTED] who inquired about the status of the case. I explained to her that I was told we would be going to the Grand Jury during the week of July 19, 2006. She stated she had not been contacted as of yet by the State Attorney's Office for any information. I provided her with the telephone numbers to the State Attorney's Office.

cellular phone 561-308-0282 occurred at 1:02 pm. The call durations were one minute or less. The time frame was within thirteen minutes apart. It should be noted that [REDACTED] s residence was in close proximity to the victim's. The next call occurred at 5:50 pm when the victim telephoned [REDACTED] s residence. Several calls were made after the above mentioned calls both incoming and outgoing to [REDACTED]. Further analysis showed no telephone calls to either [REDACTED] cellular telephone or [REDACTED] residence were registered prior to February 6, 2005.

Additionally, I also conducted an analysis on the telephone calls from 305-710-5165. The subscriber information confirmed that the number is registered to Paul A Lavery from Hialeah, Florida. The address was crossed referenced to the Office of Kiraly and [REDACTED] Private Investigators. I researched the web page www.rileykiraly.com which also showed various cases in which they assisted. I also located another web site under www.coralspringssparklandrotary.org in which Mr. [REDACTED] attended a Miami Rotary meeting and confirmed Atty. Roy Black is among his clientele.

The telephone calls revealed Lavery had telephone contact with [REDACTED] [REDACTED] either just after I attempted to interview them, or just prior. A background was conducted on Lavery which revealed he holds a current Private Investigator License. A criminal arrest record revealed he had been previously arrested for possession of cocaine and solicitation of prostitution.

I also researched the girls using www.myspace.com. This web site is a new social networking service that allows members to create unique personal profiles online in order to find and communicate with old and new friends. The site allows one to establish your own myspace.com page and decorate the page any way one wishes. I found the following people have myspace sites: [REDACTED], [REDACTED] and [REDACTED]

I received a Cingular Wireless packet which contained a CD which contained the results of the subpoena request for verbatim calls on [REDACTED]. An analysis will be conducted in the near future on the phone numbers called.

As we entered onto the property, we encountered the house manager, Janusz Banasiak who was in the guest portion of the house. The guesthouse section had open doors and no forced entry was made. I made contact with Banasiak, Date of Birth 04-07-1953, Fl DL [REDACTED] and informed him of the search warrant for the premises. The members of the Police Department entered the residence and announced we had a search warrant. A safety search was done and members exited the home. I read the search warrant to Banasiak as Mgr Parkinson videotaped the search warrant execution. Several interior decorators were located on the property. I spoke with Mark Zeff, of 515 W 20th Street in New York. Mr. Zeff stated he is the designer for Mr. Epstein's homes. He advised he was contacted in March of 2005 to do a complete overhaul on the house. He advised he was on the phone with Mr. Epstein when officers announced the search warrant. Mr. Epstein was then made aware of the search warrant. Mr. Zeff advised, his contact with Epstein is strictly business and he has never witnessed Epstein with any girls except for his assistants, Sara or Nada.

I then interviewed Daniel Estes, of 315 East 14th Street in New York. Mr. Estes stated he has worked for Zeff for seven years. He advised he personally worked on the New York and Palm Beach home for Mr. Epstein. He has previously met with Sara and Adrianna, Epstein's assistants in New York and in Florida. Estes stated they travel with Epstein everywhere he goes.

I interviewed [REDACTED] of 35 Riverside Jersey City, New Jersey. [REDACTED] stated she just arrived from Scotland and has worked with Zeff for only one month. She stated she has never met Epstein and has not seen him. The interview was then concluded.

I then spoke with Douglas Schoettle of 243 Riverside Dr in New York City. Schoettle stated he has been Epstein's Architect for seven years. He further stated he deals with Epstein's assistants and speaks with Epstein on the phone. Schoettle stated he mainly speaks with Sara [REDACTED], Epstein's main assistant, who travels with Epstein. Schoettle stated he only has contact with Epstein when his services are needed.

At approximately 10:30 am, I was informed that the videotaping was concluded. I entered the residence and located two covert (hidden) cameras. The first camera was a covert wall clock in the garage area. I traced the wire behind the clock and removed the RCA wire and unplugged the camera. The other covert camera was located within a desk clock beside Epstein's desk. I traced the wire behind the clock and unplugged the RCA wire. I could not locate another camera. I then began with the search of the residence for the specified evidence.

My search consisted of the second floor. Det. Krauel and I began in the [REDACTED] bedroom area where several items were located. They were

During the course of the investigation a search warrant was executed at Jeffrey Epstein's home located at 358 El Brillo Way in Palm Beach. While in the home I observed the pink and [REDACTED] within the [REDACTED] bedroom area just as the girls previously mentioned. The stairway, which is located from the kitchen area to the [REDACTED] bedroom area, is lined with photos of naked young girls. Additionally, numerous photographs of naked young females, some of which appeared to be the girls I previously interviewed, were on display throughout the house. Also located in the house were various phone message books. The telephone message books have a duplicate copy (Carbon Copy) which, once a phone message is written into the book, the top copy is then torn on the perforated edge and the carbon copy is left in the book. First names of girls, dates and telephone numbers were on the copy of the messages. I recognized various numbers and names of girls that had already been interviewed. The body of the messages were time of the day that they called for confirmation of "work." Other names and telephone numbers were located in which the body of the messages were, "I have girls for him" or "I have 2 girls for him." These messages were taken by [REDACTED], who signed the bottom of the messages. During the execution of the warrant, I located a [REDACTED] transcript for [REDACTED] in Epstein's bedroom desk. This desk had stationary marked Jeffrey E Epstein. I located a [REDACTED] colored armoire beside Epstein's bed that contained a bottle of "Joy Jelly," which is used to provide a warm massage. Several massage tables were located throughout the second floor of the residence, including a massage table found in Epstein's bedroom. On the first floor of the residence I found two covert cameras hidden within clocks. One was located in the garage and the other located in the library area on a shelf behind Epstein's desk. A computer was located which was believed to contain the images from the covert cameras. The computer's hard drive was reviewed which showed several images of [REDACTED] and other witnesses that have been interviewed. All of these images appeared to come from the camera positioned behind Epstein's desk.]

On December 13, 2005, Det. Dawson and I met with [REDACTED] dob [REDACTED]. During a sworn taped statement, [REDACTED] stated that when she was sixteen years old she was taken to Epstein's house to provide a massage for money. [REDACTED] stated it was before Christmas last year (2004) when an associate, [REDACTED] approached her and asked if she needed to make money for Christmas. [REDACTED] made arrangements to take [REDACTED] to the house and drove [REDACTED] to the house to "work." They were encountered by a [REDACTED] female with long blond hair. [REDACTED] was unable to remember the name of the [REDACTED] female with blond hair but knew she was Epstein's assistant. She was led upstairs by the [REDACTED] female who explained that there would be lotions out already and Epstein would choose the lotion he wanted her to use. She was led through a spiral staircase which led to a [REDACTED] bedroom and bathroom. The massage table was already set up in the bathroom. [REDACTED] described the bathroom as a large spacious bathroom with a steam room and shower beside it. [REDACTED] was introduced to Epstein who was on the phone when she entered the room. Epstein was wearing a [REDACTED] towel and laid on his stomach so that [REDACTED] may

Original Report	LO	Reported By: DESMARAI, WENDY D.	10/05/03
		Entered By.: OREGERO, LAURA D.	10/06/03

On Sunday 10/5/03 at approximately 0824 hours, I was dispatched to a burglary at 358 El Brillo Way. Upon arrival, I met with reporting party/victim Jeffrey Epstein, male, dob/012053. Epstein advised he and his personal assistant [REDACTED], female, dob/052579, arrived in the residence on Friday evening, 10/3/03. Epstein advised that on Saturday evening 10/4/03, he left his briefcase at his desk and went to bed at approximately 1230 am. Epstein said when he left his briefcase, it contained approximately \$5000 U.S. currency. [REDACTED] advised the case was in \$100 bills and kept in a [REDACTED] envelope inside the briefcase. Epstein stated at approximately 0715 hours on Sunday, 10/5/03, while sitting at his desk, he noticed the briefcase had been opened and some of the cash was missing. Epstein believed approximately \$3500 was taken from the briefcase. Epstein advised that he did not know if the cash was sequential or recorded. Epstein further advised a black Glock handgun was taken from the bookshelf located behind his desk. Epstein advised he suspected cash had been taken from his briefcase on two other occasions while he was in town for the weekend. The first was over Labor Day weekend Aug. 30-Sept 1, 2003. The second time was a weekend in mid September, 2003. Epstein stated he did not

report these incidents because he was not sure the money was accounted for. Possible footage of the incident may exist. I next met with [REDACTED] who advised she went to bed at approximately 1130 pm on 10/4/03 and did not hear or see anything unusual through the night or on the morning of 10/5/03. Cotrin, the resident chef advised that he went to bed at approximately 1030 pm on 10/4/03 and began work at approximately 6:20 am on 10/5/03. Cotrin stated that he did not see or hear anything unusual from the staff residence located on the east side of the property. I next spoke to Mike and [REDACTED] who are the house managers. Mike stated that he went to the staff residence at approximately 8:30 hours on 10/4/03 and got up at approximately 11:30 pm same night to move the Mercedes into the garage. Mike said he returned to the residence at approximately 6:20 am on 10/5/03 but did not notice anything unusual. Rosalie stated that she checked the exterior of the residence at approximately 7:30pm on 10/4/03 as part of her duties. Rosalie stated at that time, she saw no one and everything appeared in order. Rosalie stated she left the main house at approximately 11:30 pm and returned at approximately 8:30 on 10/5/03. It should be noted that Mike and [REDACTED] have been employed as the house managers since 9/24/03. Prior to them, the live on site house managers were [REDACTED] and Evelyn, Epstein was unsure of the last name. [REDACTED] Evelyn were employed at 358 El Brillo approximately 9 months. Prior to the house manager was John Alessi who was employee at 358 El Brillo approximately 10 years. Epstein signed an affidavit of prosecution, it is attached to this report. Crime Scene manager Parkinson responded and processed the scene. Det. Melnichok also responded. See Det. Melnichok's report for further information. Officer Nault responded and conducted a neighborhood canvas which is also attached to this report. It should be noted that Epstein will contact Palm Beach Police Department with the serial number of the stolen handgun so that it may be entered into FCIC.

***** NARRATIVE # 2 *****
[REDACTED] Reported By: MELNICHOK, [REDACTED] C. 10/06/03
Entered By.: [REDACTED], LINDA C. 10/06/03

On 10/05/03, at 1000 hours, I responded to 358 El Brillo Way reference a burglary that had occurred at the residence during the night. Upon my arrival, I met with the homeowner who verbally identified himself as Jeffrey Epstein, DOB 01/20/53.

Epstein told me that over the last couple of months, when he has come into town, he has money he had left in his carry on bag, has turned up missing. Epstein said he wasn't sure of the amount of money in the carry on bag on any specific incident and thought that he possibly had misplaced the money. Epstein

told me that he had purchased a spy camera from a store on Okeechobee Blvd. and had set up the camera which was in a clock in his office facing the briefcase with the money in it. Epstein then placed \$4,000. in U.S. currency, one hundred dollar bill increments and left the bag on his desk as he always does when he is in town. Epstein said that he went to bed with the camera system monitoring the bag and desk area, only to wake up and twice to have \$100. missing from the bag and the suspects image on his computer hard drive. It should be noted that there were thirteen one hundred dollar bills still in the [REDACTED] envelope and that nothing else in the house appeared to be disturbed by the suspect.

Epstein took me to the computer room where he showed me a computer monitor that was displaying a still frame of the suspect. The computer indicated a time of 0428 a.m., when the suspect came into the office area, walked behind the desk, opened the hand bag, and then opened the center drawer to the desk. It appeared as though the suspect was familiar with the house and the desk. Epstein told me that he did not know who the suspect in the photo was but thought it might be his former houseman because of his size and shape. Epstein also pointed out that the suspect in the video was wearing moccasin type shoes like his former houseman did due to his back injury. The suspect was a [REDACTED] male who was 5'10" in height, 250 lbs., wearing tan pants, [REDACTED] shirt, and a hat. Epstein provided me with the former houseman's information which was Juan P. Alessi, DOB 02/12/50, living at 1515 South Flagler Dr., Apt. 1901, West Palm Beach, Florida.

[I advised Epstein that I would need to obtain a copy of the surveillance video from his computer hard drive in order to have in hands. Epstein told me that he had limited working knowledge of the system but he would contact the company who had installed the system and have them make a copy by Monday. Epstein told me he would call when he had more information.]

Epstein took me to the desk where the carry on bag was and told me that he believed that the suspect might have gained entry into the house from the sliding glass doors on the south side of the house but not the west side of house because he had personally locked all the sliders on that side of the house. It is believed that the suspect also left the house by the same sliding door that was unlocked as there were no pry marks or indication of forced entry into the house. Epstein also showed me the bookcase behind the desk where he kept his Glock 9 mm handgun between the books which was now missing. Epstein could not supply me with the serial number for the handgun at this time but advised he would contact Gator Gun on Okeechobee Blvd. to obtain the information.

Crime Scene Manager Greg Parkinson processed the crime scene and collected the envelope that the money had been taken out of.

their vaginal area. He would masturbate during the massage and upon his climaxing, the massage would end. The girls were then paid two or three hundred dollars for the massage.

On November 21, 2005 I interviewed Jose Alessi, a former houseman for Jeffrey Epstein. Alessi stated he was employed for eleven years with Mr. Epstein, from approximately 1993 through 2004. Alessi stated he was the house manager, driver and house maintenance person. It was his responsibility to prepare the house for Epstein's arrival. When asked about cooks or assistants, Alessi stated they traveled with Epstein on his private plane. I asked Mr. Alessi about the massages that have occurred at Epstein's home. Alessi stated Epstein receives three massages a day. Each masseuse that visited the house was different. Alessi stated that towards the end of his employment, the masseuses were younger and younger. When asked how young, Mr. Alessi stated they appeared to be sixteen or seventeen years of age at the most. The massages would occur in Epstein's bedroom or bathroom. He knew this because he often set up the massage tables. I asked if there were things going on other than a massage. Alessi stated that there were times towards the end of his employment that he would have to wash off a massager/vibrator and a long rubber penis, which were in the sink after the massage. Additionally, he stated the bed would almost always have to be made after the massage.]

On January 4, 2006 I interviewed another former houseman, Mr. Alfredo Rodriguez. During a sworn taped statement, Mr. Rodriguez stated he was employed by Jeffrey Epstein for approximately six months, from November 2004 through May of 2005. His responsibilities as house manager included being the [REDACTED], chauffeur, chef, houseman, run errands for Epstein and provide for Epstein's guests. I asked Rodriguez about masseuses coming to the house. Rodriguez stated Epstein would have two massages a day. Epstein would have one massage in the morning and one massage in the afternoon everyday he was in residence. Rodriguez stated he would be informed to expect someone and make them comfortable until either [REDACTED] or Epstein would meet with them. Rodriguez stated once the masseuses would arrive, he would allow them entry into the kitchen area and offer them something to drink or eat. They would then be encountered by either [REDACTED] or Epstein. They would be taken upstairs to provide the massage. I asked Rodriguez if any of the masseuses appeared young in age. Rodriguez stated the girls that would come appeared to be too young to be masseuses. He stated one time under Epstein's direction, he delivered a dozen roses to [REDACTED] for one of the girls that came to provide a massage. He knew the girls were still in high school and were of high school age. I asked Rodriguez about the massages. He felt there was a lot more going on than just massages. He would often clean Mr. Epstein's bedroom after the alleged massages and would discover massagers/vibrators and sex toys scattered on the floor. He also said he would wipe down the vibrators and sex toys and put them away in an armoire. He described the armoire as a small [REDACTED] armoire which was on the wall close to Epstein's

| <p>the tragic tale of you and me</p>  <p>Online Now!</p> | <p><b>Jul 17, 2005 8:01 PM</b></p> <p>cool cool. I went with Evelyn to Barnes and Noble at midnight. It was nuts, there was so many people there. We were like the 5th people to get it though. The next s2s show is this Thursday actually, but its in Pompano. It should be good though. I miss our coffee meetings too. We should go sometime this week? If you're not busy. Bye.</p> |

Hits From the BONG..

Lyrics By: Cypress ■

Hits from the Bong  
Hits from the Bong  
Hits from the Bong  
Hits from the Bong

Pick it  
Pack it  
Fire it up, come along  
And take a hit from the bong  
Put the blunt down  
Just for a second  
Don't get me wrong  
It's not a new method  
Inhale  
Exhale  
Just got an ounce in the mail  
I like a blunt or a big fat cone  
But my Double-Barrel Bong  
Is gettin' me stoned  
I'm skill it  
There's water inside don't spill it  
It smells like shit on the carpet  
Still it  
Goes down smooth when I get a clean hit  
Of the Skunky, Phunky, Smelly ■ Shit  
Sing my song  
Puff all night long  
As I take hits from the Bong  
Hits from the Bong y'all  
  
Hits from the Bong

Gonna get high  
Hits from the Bong  
Gonna get high

Hits from the Bong  
Gonna get high  
Hits from the Bong  
Gonna get high

Let's smoke that bowl  
Hit the Bong  
And then take that finger off of that hole  
Plug it  
Unplug it  
Don't strain  
I love you Mary Jane  
She never complains  
When I hit mary  
With that flame  
I light up the cherry  
She's so good to me  
When I pack a fresh bowl I clean the screen  
Don't get me stirred up  
The smoke, through the bubbling water  
Is makin' it pure so I got ta  
Take my hit and hold it  
Just like Chong  
I get the bowl and I reload it  
Get my four-footer and bring it on  
As I take hits from the Bong

Hits from the Bong  
Gonna get high  
Hits from the Bong  
Gonna get high

Hits from the Bong  
Gonna get high  
Hits from the Bong  
Gonna get high

Hits from the Bong  
Gonna get high  
Hits from the Bong  
Gonna get high

Hits from the Bong  
Straighten your Dick out

When you learn to sew you will be ready for marriage. It's not hard. I'm sure they have womens groups dedicated to teaching all the necessary skills for finding a suitable husband.

| <p>Virginia</p>  | <p><b>Apr 17, 2005 4:07 PM</b></p> <p>FISHING TRIP</p> <p>A couple goes on vacation to a fishing resort in northern Saskatchewan.</p> <p>The husband likes to fish at the crack of dawn; the wife likes to read.</p> <p>One morning the husband returns after several hours of fishing and decides to take a nap.</p> <p>Although not familiar with the lake, the wife decides to take the boat out. She motors out a short distance, anchors, and continues to read her book.</p> |

Along comes a game warden in his boat. He pulls up alongside the woman and says, "Good morning [REDACTED]. What are you doing?"

Reading a book, " she replies, thinking, "Isn't that obvious?"

You're in a restricted fishing area, " he informs her.

"I'm sorry officer, but I'm not fishing, I'm reading."

"Yes, but you have all the equipment. For all I know you could start at any moment. I'll have to take you in and write you up."

"If you do that, I'll have to charge you with sexual assault, " says the woman.

"But I haven't touched you, " says the game warden.

"That's true, but you have all the equipment. For all I know you could start at any moment."

"Have a nice day [REDACTED], " and he left.

MORAL: NEVER ARGUE WITH A WOMAN WHO READS. IT'S LIKELY SHE CAN ALSO THINK.

LOL, made me think of you lady!!
