

For Commanding Powers/Control

Cut out this chant charm Thursday morning between the hours of 1-2 am Write your wish on the back of this charm and make yourself relaxed with no one disturbing you. Look at the black center of the charm and make your wish and after making your wish repeat this Voodoo **For Commanding Powers/Control**:

I now have the power to control this person to do what I want them to do, this person is now becoming under my power and control each and every day. By the ancient powers of Voodoo, and in the name of the Voodoo Gods I thank them for giving me the power to control this person now So Be it

For stronger powers I highly recommend that you burn some of my **For Commanding Powers/Control Incense** and hold the Charm Seal over the smoke and repeating your wish. [If you want to order a packet click here now](#)
