below:

- 1. 1. Bottom of Spine
- 2. Stomach
- 3. Chest
- 4. Heart
- 5. Throat
- 6. Center of Forehead
- 7. The Crown (Top of the head facing the sky.)

Each chakra has an associated mantra, which enables the individual to activate the powers that lie dormant within. Working with the following mantras will, in time, result in you becoming a 'master' in your own right.

Each chakra is associated with a certain day of the week, therefore only work on the mantras on their proper days, this will be beneficial and ensure eventual success. The mantras are to be worked with indefinitely. Once mediumship has been obtained, keep on with the exercises so that it does not slip away from you.
