piercing the dumb mud which is man
to re-establish the cult of Shaitan
under a black A.R.K. rainbow
after the flood
after the flame
a sprouting seed

the Black Rose
& Cross Averse
will ripen
in the year & name of NOX
120 to be precise
if you but rearrange
to make the normal
perfectly strange
a NU Surreality once again
& the Vault of Black Adepts
will be found & opened;
the Star of BABALON above
the seven headed apocalyptic BEAST beneath
(a Scarlet Gammadion Sphere)
& my crypt shall be in the centre
but know I will be gone
as Un-Dead I roam alone
to continue what I've begun
for know who speaks to you now:
