## Dome on the Rock

An important question made public, taken from an earlier email:

**Solomon's Temple and the Dome of the Rock (NO PROBLEM)**

>>..... AN EXPLANATION AS FAR AS THE GUARDIANS, >>QABALISTS & WASTERN  
MYSTERY TRADITION & IF I MAY GO FURTHER >>.....ISLAM & HINDUISM ARE  
CONCERNED ????

- [1] God The Father is One
- [2] The Shekinah the Mother-God made manifest as Mary. The Virgin Mary gave birth to Jesus the Son of God in human form.
- [3] The Son of God is the ratio, the logos, etc in his Divine Form. Jesus is that which lays at the centre of the Rosy Cross. The Rosy Cross is at the connecting power which binds that which is above which that which is below.
- [4] God has no son in the human sense - for this is impossible. The Son born of a virgin is like opening a vase of perfume. You can smell the perfume and you can experience God's existence. From the perfume you discover that God is tangible and real.

However our experience of beholding the perfume (the Son) it is neither the bottle of perfume, nor is it the perfume itself (God)

[5] There only God the Father - from Him comes the Mother and the Son (Christ), and God's Holy Prophet (Muhammad).

>> May i ask how many times the TEMPLE OF SOLOMON HAS BEEN >> DESTROYED ?

BCE 90 King Solomon commences construction of the First Temple

BCE Destruction of the Temple by Nebuchadnezzar

BCE 515 Second Temple begins to be built by Zerubbabel

BCE 169 Antiochus ruins second temple

BCE 164 Maccabee restores Temple

BCE 63 General Pompey ruins Temple

BCE 18 King Herod restores Temple

CE 70 Titus destroys Temple

So what's the count then? 4 so far!

In CE 691 Dome of the Rock completed by Abd al-Malik. THOUGH NOT at the original location of Solomon Temple. As the original Solomon's Temple was on the EASTERN Hill (the original Mt Zion)

The silly sods (the Jews) If they build again Solomon's Temple on the Mount of Olives, e.g.: Where King David was buried on the Eastern Hill all would be well between them and the descendants of Abham.

(E.g. According to the Guardian teachings, The City of David Hill which is actually the true Mount Zion!) .. So there would be no problems.
