Meditations to the Naked Goddess I

Meditation 1:1 For those who kneel before the Naked Star and are set apart from the earth .2 I write to you as those who have happily received the gift of eternal blessing .3 In joy and through Christ, we approach the Goddess of Life .4 Was it not a great gift, when we first experienced spiritual communion .5 Yes and by partaking of His Christ's love, we mingled

into Her the Holy Spirit Shekinah of Life .6 We are now raptured and have become as gods within Allaha's essence .7 Even by voicing our love, we are drawn closer to Her .8 Great is praise, when we become a child of Light .9 Heirs we are to the Goddess realm of life and creativity .10 Brethren, when we first offered ourselves up in Christ, we joined Her Holy Essence. .11 And in so doing, we became Her children .12 That is not to say that we were never His/Her Children .13 For we have been Hers even before the beginning of time .14 It is simply through Christ, we have re-found our heritage .15 We have escaped the bondage of Egypt and the slavery of the hard false gods .16 Gods made of stone, which once held us capture by fear .17 Now as Her children, our tendency is towards life and not destruction .18 Towards gentleness not harshness .19 Towards freedom rather than bondage of structure .20 Towards innocence rather than the blame of sin .21 Towards understanding rather than supposed knowledge .22 Towards Nakedness and not falsehood .23 Through the communion of Yeshua we join with the warm Mother Spirit.

Meditation 2:1 Be not near the coldness of any false god nor power .2 For in the Shekinah we have life and are freed .3 Oh, such bliss is freedom set apart from bondage .4 We joyfully praise such grace with boundless affection .5 Having sent the Son, we venerate the Father YHVH 6. Having sent the Holy Spirit we enjoy the Shekinah .7 To all those that approached Christ, Shekinah El Elyon they welcomed in love .8 The Shekinah giving freely to all 9. An abundance of warmth and compassion .10 Cleansed by the baptisms of two .11 Fire of YHVH and Water of Shekinah .12 The Son exists meditating the two .13 Worthy is He whom the Star revealed .14

Most blessed was she the womb that carried Him .15 Mother of God manifesting upon earth the heavenly divinity .16 A perfection of Grace that our wounds from love received .17 Her healing waters upon the desert land .18 It is the Shekinah whom feeds our hunger in communion .19 For finally we do not hunger as we did within falseness 20. Truth by the Brilliance of Her Naked Form

Meditation 3.1 While feeding upon Her worldly soul .2 We received a great joy becoming aware .3 And gladness without blame is She knowing right and wrong .4 A perfect knowledge has She placed upon our hearts .5 Always has She strengthened us .6 Lifting us up when we are weakened upon all fours .7 Blessings abundance did we received standing upon two, our wings doth fly .8 Thankful are we to receive so great a love .9 Who else but her edifies those who are unwhole .10 Who else could be sent than Her Son .11 The only begotten of YHVH and manifested on earth through Her form .12 Surely there is no act of charity greater than giving birth to life .13 God on earth, and this is what the Goddess also has done .14 She poured from Her source an abundance of life .15 She has filled the emptiness once residing in an empty universe .16 It is She who called forth the first child .17 Awaken, awaken from your slumber .18 Her Child whom awakened and is the Father of many faiths .20 She calls Awake, my child and come unto me .21 So great is Her love that She unclothed Herself of Her glory .22 To born as a women in shame, becoming Mother of Immanuel .23 From the low the High is exalted .24 From the woman the Son and Father are exalted .25 And from Highest, She is again exalted .26 This is the mystery of the Three that creates life .27 For none can understand it except from the place of

light .**28** The throne of the Three Hermaphrodite Mother Father and Son
. **29** Given by the All to fill love throughout an empty universe .**29** Love, She
give him women and a womb to be born .**32** Love, She give him life to live as
a man .**33** Love, She give him a world to stand and to build upon .**34** No
reason of law hath She when She gives of herself other than Love .**35** Only
the fulfilment of desire within for Him .**36** The hope that is shared deep
within all mothers .**37** Blessings to the Mother Spirit Shekinah Inanna, in
which we enjoy Her Divine Presence within the Oneness of Light .**38** Let
Yeshua's teaching and life reveal Her mysteries .**39** May Her churches and
temples be filled once more.
