Hierophant:

"Above, the gemmed azure is the naked splendour of Nuit.

She bends in ecstasy to kiss the secret ardours of Hadit.

To you I come to take my fill of love,

My joy is yours.

My ecstasy is yours.

In the body of a whore I find you,

In the body of a princess I find you,

For there is no difference between this one thing and the other.

In the body of a priestess I find you.

You are the space between the stars,

You are the infinity of stars.

But you shall be known as neither one nor none, for thou art continuous.

I, the Star Hierophant, call you O Queen of Space.

By my words I call you.

By my deeds I call you.

As your Priest and your Lover, I call you."

High Priestess removes black robe to reveal colours of Nuit (blue, gold and black). Priestess (Earth) anoints High Priestess with musk oil.

High Priestess:

"I am above you and in you. My ecstasy is in yours. My joy is to see your joy.

Be thou Hadit, my secret center, my heart and my tongue.

My number is 11, as all their numbers who are of us. The Five Pointed Star, with a Circle in the Middle, & the circle is Red. My colour is black to the blind, but the blue and gold are seen of the seeing. Also I have a secret glory for them that love me."

"But to love me is better than all things: if under the night stars in the desert thou presently burnest mine incense before me, invoking them with a pure heart, and the Serpent flame therein, thou shalt come a little to lie in my bosom. For one kiss wilt thou then be willing to give all; but whoso gives one particle of dust shall lose all in that hour. Ye shall gather goods and store of women and spices; ye shall wear rich jewels; ye shall exceed the nations of the earth in splendour and pride; but always in the love of me, and so shall ye come to my joy. I charge you earnestly to come before me in a single robe, and covered with a rich headdress. I love you! I yearn to you! Pale or purple, veiled or voluptuous, I who am all pleasure and purple, and drunkenness of the innermost sense, desire you. Put on the wings, and arouse the coiled splendor within you: come unto me!"

"At all my meetings with you shall the priestess say - and her eyes shall burn with desire as she stands bare and rejoicing in my secret temple - To me! To me! calling forth the flame of hearts of all in her love chant."

Hierophant removes black robe to reveal colours of Hadit (blue, gold, red, purple and green) and places on serpent crown. Priestess_1 anoints him with almond oil. Hierophant takes and passes the wine and chocolate.

Hierophant:

"Nuit, o my Queen, to you, to you, always unto you. Fine apparel, rich foods and wines that foam, to you, to you. We take our fill of love, when, where and with whom we will, to you, to you, always unto you."

High Priestess:

"Now, therefore, I am known to ye by my name Nuit, and to him by a secret name which I will give him when at last he knoweth me. Since I am Infinite Space, and the Infinite Stars thereof, do ye also thus. Bind nothing! Let there be no difference made among you between any one thing & any other thing; for thereby there cometh hurt."

Hierophant:

"For pure will, un-assuaged of purpose, delivered from the lust of result, is every way perfect."

High Priestess:

"The Perfect and the Perfect are one Perfect and not two, nay, they are none."

High Priestess invokes Hadit through dance. All dance in response.

High Priestess:

"Now ye shall know that the chosen priest & apostle of infinite space is the prince
priest the Beast; and in his woman called the Scarlet Woman is all power given.
They
shall gather my children into their fold; they shall bring the glory of the stars
into the
hearts of men."

"For he is ever a sun, and she a moon. But to him is the winged secret flame, and to her the stooping starlight. Burn upon their brows, o splendorous serpent! O azure-lidded women, bend upon them!"

Hierophant:

"Come, all ye, and learn the secret that hath not yet been revealed. I, Hadit, am the complement of Nu, my bride. I am not extended, and the Khabs is the name of my house."

"In the sphere I am everywhere the centre, as she, the circumference, is nowhere found. Yet she shall be known & I never. Behold! The rituals of the old time are black. Let the evil ones be cast away; let the good ones be purged by the prophet! Then shall this Knowledge go aright."

"I am the flame that burns in every heart of man, and in the core of every star. I am Life and the giver of Life, yet therefore is the knowledge of me the knowledge of death."

"I am the Magician and the Exorcist. I am the axle of the wheel, and the cube in the circle. "Come unto me" is a foolish word, for it is I that go."

High Priestess removes Hierophant's cloak, guides him to the ground, removes her cloak and stands astride him.

High Priestess:

"I am the blue-lidded daughter of Sunset; I am the naked brilliance of the voluptuous night sky. To me! To me!"

Priestesses of Earth & Air remove their black robes, revealing the white of the unborn son and daughter.

High Priestess lowers herself onto Hierophant. At climax Hierophant says:

Hierophant:

"Father and Mother one god Ararita"

The fluids of the union are collected in the cup.

Hierophant returns to the south.

Priestess of Air goes to High Priestess in the north. Priestess of Air disrobes. Hierophant anoints her with almond oil. She lays back and holds the cup over her womb.

Priestess of Earth takes the wand and, kneeling between her legs, dips the wand in the cup and says:

"Son and Mother one god Ararita"

High Priestess stands in the north. Priestess of Earth goes to the west. Priestess of Air disrobes and lies head to the west. Hierophant anoints her with rose oil. She lays back and holds the cup over her womb.

Priestess of Earth takes the wand and, kneeling between her legs, dips the wand in the cup and says:

"Son and Daughter one god Ararita"

Priestess of Air remains in position. Priestess of Earth hands the wand to Hierophant and returns to the east. Hierophant goes to the west, and kneels between Priestess of Air's legs and dips the wand in the cup as Priestess of Air says:

Priestess of Air:

"Daughter and Father one god Ararita"

Hierophant takes the cup from Priestess of Air. Priestess of Air stands in the west. High Priestess lays head towards the Nuit altar. Hierophant places the Nuit pantacle over her womb. Using the fluid from the cup, Hierophant traces out the design on the pantacle and holds it aloft.

Hierophant:

"I am the Snake that giveth Knowledge and Delight and bright glory, and stir the hearts of men with drunkenness. To worship me take wine and strange drugs whereof I will tell my prophet, & be drunk thereof! They shall not harm ye at all. It is a lie, this folly against self. The exposure of innocence is a lie. Be strong, o man! lust, enjoy all things of sense and rapture: fear not that any God shall deny thee for this."

The pantacle is placed back on the Nuit altar.

High Priestess:

"Obey my prophet! follow out the ordeals of my knowledge! seek me only! Then the joys of my love will redeem me from all pain. This is so: I swear it by the vault of my body; by my sacred heart and tongue; by all I can give, by all I desire of ye all."

"The word of Sin is Restriction. O man! refuse not thy wife, if she will! O lover, if thou wilt, depart! There is no bond that can unite the divided but love: all else is a curse. Accursed! Accursed be it to the aeons! Hell."

"Let it be that state of manyhood bound and loathing. So with thy all; thou hast no right but to do thy will."

"Do that, and no other shall say nay."

Hierophant:

"The manifestation of Nuit is at an end."

All put black robes on and assume asana for silent contemplation until Hierophant closes with the Star Ruby.
