Introduction

This book is a simple yet incredibly powerful way to summons The 72 Names of God and to easily communicate with these spirits or energies of God while they are visibly in front of you. The 72 Names of God, which give off powerful vibrations, are the hidden names Kabbalah has found in the book of Exodus and were given to the Israelites to use in order to cross the Red Sea. In chapter 1 The 72 Names of God Summoning Ritual shows you step by step how to easily summons these spirit energies to visible appearance so you can communicate with them. In Chapter 2 The 72 Names of God lists each powerful name of God to summons for your every request of money, health, love, psychic abilities, information and many more things. All you need is a candle, incense, bell, a rope circle and 10 minutes to get started. This book shows you easily and quickly how to get all of your requests answered and you don't need to believe in these rituals as you are summoning The 72

Names of God to do your bidding for you.

Trance (count down 1 to 15 while visualizing going down an elevator)

To **communicate** with the spirits of God close your eyes and ask a question(s) and then say into the recorder what you **feel, hear, think** and **see** as your answer from the spirit.

Closing Rituals

License to Depart: *"I thank thee, (name of God), this ritual is now done. All forces, Entities and Energies shall go about their business until again I call. In the Ultimate Name, go in peace to do my bidding. Harm nobody and none and nothing that I have, that I like and love. So mote it be."*

Ring bell-"*this temple is now closed*"

Record your ritual and results in The Book of Shadows at the end of this book **AND** listen to the recorder to write down your communications with the spirit.

Also in the next few days pay attention to feelings, dreams, thoughts and ideas, songs and sounds that you hear and pay attention and follow these signs as these are the messages from your request from the spirits of God!
