Introduction

After thousands of years and endless difficult Grimoire Magick books on the subject, this book, The Goetia Ritual Book, finally reveals the true secrets of the Goetia! This Goetia Ritual book is the most powerful and yet simple Magick you will ever do! You only need a candle, bell, rope and incense and 10 minutes to do each ritual. In chapter 1, The Goetia Evocation Ritual shows you step by step how to easily summon these 72 Spirits of Solomon to visible appearance! And in chapter 2 there is a list of all the Goetia spirits with an easy to understand description for each spirit so you can easily summon them for money, health, love, psychic abilities and many more things as well. Chapter 3 is a Book of Shadows to record your rituals and results. From my personal experience many of these Goetia spirits will appear to you in visible form and you may see, feel, hear or sense these spirits so please do not be alarmed as this is a sign that your request is being answered! However, for your protection, please always

stay inside the circle until the ritual is completed. After the ritual pay attention in the next few days to feelings, ideas and thoughts and follow all of these ideas etc. as these are the answers to your request from the Goetia spirits. Unlike spells which require a belief system, these evocation rituals don't require you to believe in them at all as these Goetia spirits are doing your bidding for you!
