## Becky's Chalkboard

*Becky's chalkboard contains various references to other anime/manga/video games etc. Because it seemingly changes every time it's shown and typesetting it and explaining the references would be a total mess, we are putting it in the pdf.*

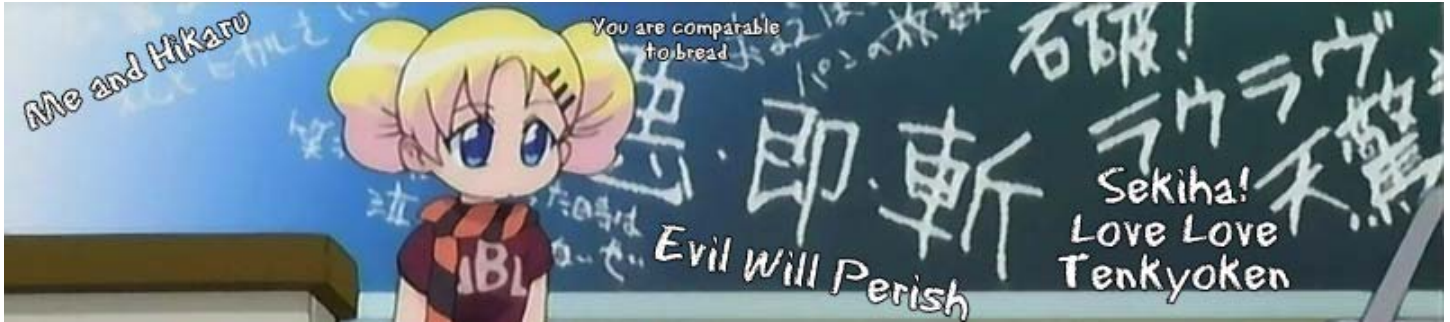

These are references to Conbattler V (aka Combattler V), except for the Happy Review bit. Conbattler uses a gigantic magnetic yoyo (Choudenji Yoyo). It also has a drill attack formed by jumping into the sky and spinning the head and hands (Choudenji Spin). Conbattler is 57 meters tall, but its weight is 550 tons. This is possibly a mistake on the part of the animators. And for lack of a better connection... Conbattler is a gigantic robot. ;)

These are all references to James Bond.

Aston Martin cars are often used in Bond movies. The Aston Martin DB5 was used in Goldfinger in 1964.

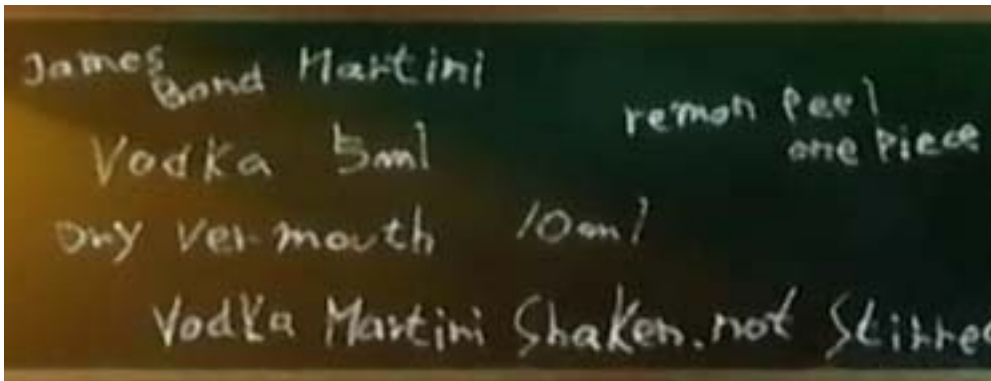

And Thunderball is the name of a James Bond movie.

“You are comparable to bread” is a reference to Jojo's Bizarre Adventure, a popular Japanese manga series. The main villain is Dio Brando, a vampire. When asked how many people he had killed, Dio replied, “Do you know how many pieces of bread you've eaten?” Coincidentally, Dio's English voice actor's webpage is <http://biggerbread.com>.

“Sekih! Love Love Tenkyoken” is a reference to G Gundam. It's the super h4x move in G Gundam used on the Devil Gundam by Domon and Rain. It basically looks like a heart-shaped hadoken.
